#### **Gotbooks revenues**

#### **Vendor**

#### **Qtrly column**

#### **BL2011 planning (5)**

- Housekeeping issues:
  - Minutes were accepted
  - Paul talked to Londonderry Times and they agreed to Gail doing a Green column every couple months. First piece will be in December.
  - Bob Kerry, the town's new environmental engineer was introduced
  - Paul suggested members respond to the monthly agenda email to indicate their attendance plans; the committee agreed
  - Paul requested help from other members to write the meeting minutes in 2011; we'll revisit this in January
- Janusz presented the status of the Drop-Off Center, with photo slides. Work is on schedule, and will control the water table while allowing us to open earlier in the season in the future (likely 1 month delay in 2011)
- Donna reported that 213 residents went to HHW Day, 25% from Derry. This is a decrease.
- Litter Subcommittee – Mike explained that they must meet publicly and report to us. We need to advertise for membership. Mike to talk about it at a Council meeting. We discussed the subcommittee's purpose and activities
- BL2011 – discussed the need for more volunteers, planning for ALERT support, and Paul to send the list of companies to the committee to help draw up the 2011 list at the next meeting.
- Marty briefed us on the Conservation Task Force progress.
- Meeting time: 7:00 to 8:45
