**Main topics: (60)**

CFL Communication	Paul, Bob, committee
2014 goals	Committee
DES Haz Waste site grants	Paul

**Housekeeping**

**Acceptance of Minutes:**

Minutes from the December meeting were reviewed and approved

**Miscellaneous**

- Gary was not in attendance so the video update was pushed to the February meeting.
- The trash amnesty idea has re-surfaced. Bob said that the DPW was not in favor of the idea because it was cost prohibitive.
- Marty was not able to attend the January REC committee meeting so there was no update to the sports equipment recycling issue. Marty will attend the February meeting.
- Duane is still working on the research on updating the final section of the Buried Treasure booklet.
- Duane is still checking into the prescription drug drop off box in the Plymouth MA Police station.

- Duane will wait until spring to contact Wolfeboro regarding their HHW drop off center.
- Paul talked to a Market Basket manager in Nashua to see what they do with their plastic bags that get returned. The manager told him that the bags are sent somewhere to be recycled.
- The Welcome to Londonderry sign on Rt. 128 at the intersection of Chase Road was hit by a vehicle. The sign is broken. The committee is looking into getting it fixed and what that costs will be.

### **Main Topics**

- The committee continued their discussion regarding the collection and recycling of CFLs. Some of the ideas included providing more collection locations and increasing public education about disposal vs. recycling of CFLs. It was discussed about placing a sign at the Town offices to educate residents to what they should be doing with their CFLs and possibly having a drop off area at the Town offices.
- The Committee discussed several items that the committee may want to consider as goals for 2014. The goals will be finalized at the next meeting.

Meeting ended at 8:35 PM.
