NEW BUSINESS

Tanager Way – Mrs. Chaisin and Mrs. Marini both expressed their concerns to the committee of the speeding motor vehicles on Tanager Way. They described a curve which proves to be a problem for school buses passing each other on the road. Both women advised the committee of the ATV's and snowmobiles that have been frequenting the Musquash trails. While doing so the vehicle operators have been damaging lawns, mailboxes and parking haphazardly in the road. Captain Dussault advised the committee that he would ask the shift supervisors to have an officer patrol the areas, especially on ATV in the Musquash area. Matter to be tabled to the July meeting and the Police Department will have directed patrol to the area. Both women were advised to call the Police Department should they see any of the speeding vehicles or a plate number for those parking on the resident lawns.

Other concerned residents who were not able to make this meeting are:
Ryan Ouellette of 8 Tanager Way
George & Kate Cutting of 32 Tanager Way
