Lyme Cemetery Trustees Meeting Minutes

Present: Lara Dwyer, Laurel Ross

Jonathan Appell, a historic stone conservator, is currently working in the Old Cemetery restoring and repairing numerous graves. Laurel walked through cemetery with Jonathan to review work being done, and discuss future plans. He will be providing before and after photos of all restorations.

Jim Amber was called regarding possible installation of Memorial Garden Gate in the Highland Cemetery. We have not heard any response, so at this point will research further options to hire someone to securely install gate.

Discussions for the proposed 2014 Cemetery budget were begun. Dina Cutting met with committee to provide further information. Proposed budget will be discussed with Michael Hinsley, and then a representative from Cemetery Trustees will present it to the Selectboard..

Respectfully submitted,

Lara Dwyer
