

ENERGY COMMITTEE AGENDA
July 16, 2012

Follow-up/Matt: are IR pictures available to post on website? And are Renewable Energy and Conservation Inventory hard copies at town offices yet?

Mark: report on tour of Plainfield school

Renewable Energy and Conservation Inventory: committee to discuss analysis of break-down of data collected so far. Make a list of people we will contact and urge to fill-out survey. Discuss next step.

Schedule tour of Tom Hunton's geothermal system—perhaps during September meeting?

Appoint someone to lead August meeting as Mark and Rebecca will both be away
