

LYME ENERGY COMMITTEE
MINUTES
February 15, 2010

PRESENT: Carola Lea, Becky Lovejoy, Simon Carr, Gary Phetteplace, Dan O'Hara, Matt Brown, Sue MacKenzie

ABSENT: Mike Morton, John Gartner

GUEST: Chris Jackson

Meeting called to order by Becky Lovejoy at 7:30PM

Minutes of the January meeting were approved as written.

1. Topic: Infra Red Camera

Discussion- Matt has a handout that demonstrates the use of the camera at the Academy building.

Recommendations- Insulating the trap door to attic, doors, insulating attic and granite base.

? How best to use in the future, potential for use on other town buildings and/or private homes. Committee needs to develop a policy for how to proceed. Is there a way we could charge a fee to offset cost. Library is very interested in having their building evaluated.

Chris Jackson- interested in learning how he could use it in the community as well as his business.

Action- Will bring to town office and have David Robbins print on Plotter. for poster for Town Meeting.

Matt will contact Bob Walker (SERG) for a resource for people who want to do something soon.

Who- Matt, Gary, Sue

When- before town meeting

2. Topic- Farm to School food program

Discussion- Carola is working with the school board, working with "Healthy Kids Program". Trying to introduce locally produced foods.

Thetford, Hanover and other local schools are beginning to use local foods.

Action- Pretty much up to the school board.

3. Topic- Phone call from member of the PTA. Wanting to have a "Bulb- a-Thon" as a fund raiser. Using CFL Bulbs instead of flower bulbs.

Discussion- ? add in the "Kil-o-Watt" meter. Dan will get the meter to the Bulb-A-Thon event.

Need to have kids involved.

4. Topic Transportation committee

Discussion- Committee was Sun setted.

Other groups are interested in developing a bike path.

Need to increase the "Ride Share" parking spaces.

Next Meeting Monday, March 15, 7:30-8:35 Town Office Building.

Respectfully submitted,

Susan J. MacKenzie
Secretary
