

LYME ENERGY COMMITTEE
MINUTES
July 19, 2010

PRESENT: Matt Brown, Mike Morton, Charles Regan, Gary Phetteplace, John Gartner, Carola Lea, Sue MacKenzie, Dan O'Hara, Becky Lovejoy

ABSENT: Dan, Charles

Meeting called to order by Carola at 7:38

Minutes of the June meeting were approved as written.

1. Topic Carbon Challenge Lyme has been matched with Temple NH.

Discussion- Energy Project Connector- Pitting similar NH towns to reduce their carbon footprint. 2-3 towns challenge each other. As simple of changing lightbulbs to buying amore energy efficient car. Each household would go on line and make a pledge to do something to reduce their energy use.

Idling- an all too common practice, how to raise awareness and bring attention to this important issue.

How to set up a group to spear head this effort.

Tool kit would be supplied.

Have selectmen go to town garage and talk about reducing energy usage.

Action- Find a group of interested individuals to help support this project.

Find a student who might be interested in participating.

Discuss with Charles

Who- Becky to speak with Charles

John to speak with Hanover High to identify a student

When- for the next meeting

2. Topic- Academy building

Discussion- Some citizens against the idea of improvements.

NE Green insulation has offered to do a free Audit on the Academy building. Certified by State Has also offered to do the Baptist Church. Needs to be cleaned out first. Those Guys, Historians, Volunteers from community.

Action- OK to go ahead with the free audit.
