

LYME ENERGY COMMITTEE
MINUTES
July 18, 2011

PRESENT: Matt Brown, Charles Regan, Carola Lea, Sue MacKenzie, Dan O'Hara, Mark Bolinger.

ABSENT: Gary Phetteplace, Joanna Laro, Becky Lovejoy

Meeting called to order by Matt at 7:30

Minutes of the June meeting were approved as written.

1. Topic Peregrine Update

Discussion- Sue reviewed with Betsy the Library portion of the report.
Sue Faxed the Fire station report to Mike Hinsley
Both plans reviewed

Building Committee, "Frank Bowles" would like a joint meeting with the energy committee to discuss the Peregrine Report. Sue suggested we include Peregrine in any meeting.

Matt talked with the Town Highway Department. Biggest issue is the lighting. Need to request proposal from PSNH.

Dan will coordinate with Fred Stearns and Frank Bowles and contact PSHN, by the next meeting.

Ventilation of moisture is a significant problem in the Highway Garage. Mark will research ventilation units, spec Peregrine's proposal for a solar wall. It was thought desirable to be able to make some recommendations to the building committee for energy efficient solutions to the air exchange issue.

Action- 2nd Tuesday 8AM (Building Facilities Com., Energy Com, and Peregrine) Sue will try to coordinate a meeting in August or September.-

Frank Bowles has offered the use of Temperature monitors for use in the Academy building. We are anxious to accept that offer.

2. Topic- Lyme Celebration of Local Businesses and Services
September 24, 2011
9AM to 1PM

Discussion- Those Guys Tent- Liability issues unresolved.
Will start getting the word out.
Ask them to please bring their own display tables.

8 from the Ramsden's and 8 from the Fire Dept.

last years e-mail account still active.
