Master Plan

Maps

The Planning and Zoning Administrator passed out a first draft of the town overview map. The members felt that it would be impossible to show all the information they wished on one map so they decided to use a series of maps and they wanted to increase the size from 8.5" X 11" to 11" X 17". The Planning and Zoning Administrator will create a list of proposed maps for the Board to discuss.

Chapters

The Board reviewed and made edits to the following chapters. 3,4,5,6,8,9,10 Chairman Roby will make the edits to the chapters and send them to the Planning and Zoning Administrator to make the changes to the originals. .

The meeting adjourned at 8:40 pm.

Respectfully Submitted

David A. Robbins

Lyme Planning and Zoning Administrator.
