Item 1: “Future of RT 10” Forum.

The Board met with Nate Miller to discuss the format and the topics for the Future of RT 10 forum, to be held on November 19th, 2012.

The Board decided to focus the forum on the portion of RT 10 from the intersection of North Thetford Rd to the Hanover town Line.

The Board members liked the format of the small discussion groups used in the Housing Forum and wanted to use the same format for the “Future of RT 10” Forum.

Item 2: Master Plan.

The Board reviewed Chapter 1 and 2 and with some minor edits decided to release both chapters to the public for review and comment, prior to a public hearing to be held after the holiday season.

John and Tim had finished the first draft of an Agricultural chapter, this was presented to the Board. The Board discussed whether it should be included as part of Chapter 7- Business and Economy or as a standalone chapter and concluded that it should be a standalone chapter.

John and Vicki completed a first draft of a Subcommittee charge to create a subcommittee to create a new focused Community Attitude Survey.

The Meeting adjourned at 9:05pm

Respectfully Submitted
David A. Robbins
Lyme Planning and Zoning Administrator.
