Town of Lyme
Agenda
Tuesday November 10th, 2015
10:00 AM Town Office Conference Room

Meeting to discuss resolving and solving the River Road Settlement problem.

This meeting is NOT to discuss reopening the River Road or making it a Class VI road. The Board is not open to that discussion until the road is proven to be safe.

1. What are the viable options?
2. What information do we need to decide how to proceed?
3. Probes for the west side of the ledge to confirm the ledge profile.
4. Test pits to determine the top of the ledge
5. Test pits to determine the possibility of an alternate route.
6. Items 2, 3, 4 are needed to determine the best option for getting the road reopened.
7. DOT Barge on the River to do borings for the East Thetford Bridge repair.
