

**Town of Lyme**  
**Board of Selectmen**  
Minutes for May 13, 2010 - Session 2

1. At 7:00 PM the meeting reconvened at Dorchester Town Hall. The following attended all of the meeting: Dick Jones (chair), Charles Ragan (member), Simon Carr (member), Artie Bardette (chair Dorchester Selectboard), Sherman Hallock (member Dorchester Selectboard), A. John Franz (member Dorchester Selectboard), Brian House (Dorchester Treasurer), Linda Landry(Dorchester Administrative Assistant), George (Tiny) Conkey (Dorchester Road Agent), Bob and Sandy Green.
2. The Board met with the Dorchester Selectboard to discuss any issues involved in working across the Lyme-Dorchester town line.
3. Dorchester contracts with both Canaan and Rumney for fire and ambulance support. Lyme and Canaan are in the same mutual aid group. Canaan handles the west side of Dorchester and, as their calls are routed through Hanover despatch, there should be no problems in Lyme fire or FAST squad being called in the event of any emergencies. This system had worked well in the emergency that had occurred the past winter at Green Woodlands.
4. Dick raised the issue of plowing across the town line, explaining that the Lyme Board had been advised the RSAs require written confirmation before undertaking any work across the town line. Tiny confirmed this. Artie asked that, as both towns had the same town counsel, the Lyme board ask her to draw up a simple agreement for plowing to the triangle, which both boards could then sign.
5. The meeting adjourned at 7:53 PM.
