

Committee for the Environment Minutes for October 18, 2016

The Committee passed 3 resolutions:

First Resolution Unanimously Approved to Increase the Size of the Community Garden:

"Resolved that the size of the Community Garden be doubled to 24 plots, by expanding in the area next to the current location. Four additional rain barrels should be provided to cater to the extra load."

Second Resolution Unanimously Approved for Interim Status Reporting of MS-4 :

"Resolved that an interim MS-4 status report be received via e-mail by the Committee for the Environment and the Board of Trustees two (2) weeks prior to each year's November CFTE meeting."

Third Resolution Unanimously Approved on Requesting Information on Enforcement of Leaf-Blower Law:

"Resolved that an annual report be received by the Committee for the Environment via e-mail of summonses, convictions, and resulting fines for leaf blowing violations at the end of each year's prohibition period."

(In relation to this resolution, the CFTE would like to follow up on reported instances of the Village Court dismissing summonses by the Village Police Department for violations of the Leaf Blower Law. The Committee will follow up on this subject in the next meeting.)
