

Minutes for Village of Mamaroneck Committee for the Environment January 15,
2019

Members Present: Katherine Desmond, David Freeman, Martin Hain, Robert Ingenito, Marc Karell, Maria Karsou, Ellen Silver (Chair), David Styler, Christi Young.

Liaison: Trustee Can Natchez

Assistant Village Planner: Matthew da Silva

General Foreman Department of Public Works: Anthony Iacovelli

- I. Approval of December Minutes
- II. Clean & Green: The CFTE voted to hold the event on April 27, 2019, from 9am to 12pm, rain date May 4. The planning session will be next meeting.
- III. Food Waste Program: The Committee requested or discussed the following items:
 - a. Requested food waste tonnage figures
 - b. Suggested signage directing people to DPW for food waste recycling
 - c. Discussed locations where food waste containers could be purchased
 - d. Asked whether bins could be set up on a designated day for pick up
 - e. Discussed the feasibility of replacing one weekly garbage pick up with food waste pick up
 - f. Suggested a draft of a questionnaire for Village residents about food waste composting
- IV. Leaf Blower Law: Marc Karell stated that progress was being made to create a uniform set of regulations for the City of Rye, Town of Mamaroneck, and the Village of Mamaroneck. The Committee is to send their comments about the model law before next meeting.
