Camp 2008:

- Went well at St John and Paul
- Staff recommends not to go back to this property for camp as there is no field space of any kind, no land lines, no A/C for the camp office/first aid station
- Camp enrollment was very low due to the distance from Rye Neck area of the Village of Mamaroneck There were 151 campers this year and 264 campers in '07
- Day Camp had no custodial help- camp staff had to clean bathrooms
- 9am Mass every morning which utilized staff parking areas
- Funerals upon occasion which utilized the entire upper parking lot
- 7th, 8th, 9th grade camp program was excellent as this is held in Harbor Island Park

Suggestions for camp 2009:

- Build a structure for camp
- Call the HIP Conservancy and see what happened to last year's proposal to renovate the pavilion.
- Have the recreation chairperson send a memo to the Board of Trustees requesting a permanent solution to the housing of camp situation.

Superintendent Rosanne Saracino reviewed her July update with the Commission.

The next meeting will be Wednesday, September 3 at 6:30pm

Meeting adjourned at 7:30 pm.

Respectfully Submitted,

Rosanne Saracino
Recreation Superintendent
