Due to the July 4th parade being held on Saturday, July 3, 2004, site inspections were held on Monday, July 5, 2004 by J. Oakes, R. Merlino and N. Hills.

The scheduled meeting at 7:00 PM Wednesday, July 7, 2004 in the main conference room of the Marion Town House, 2 Spring Street, Marion, Massachusetts, could not convene due to the lack of a quorum caused by a last-minute cancellation. As there was a slight possibility that one of the absent Members might return from Boston in time to attend the meeting, thereby making a quorum, R. Merlino and N. Hills decided to remain until the last scheduled hearing. They explained to the applicants/owners/ engineers/audience that did arrive for the hearings that the Commission could only informally discuss the projects but could not vote on them, and informed them of the times on July 21, 2004 that their hearings were being rescheduled for.
