ORDERED:

ORDINANCE REORGANIZING VARIOUS DEPARTMENTS
OF THE CITY OF MARLBOROUGH INTO THE HUMAN SERVICES DEPARTMENT

That the City Council of the City of Marlborough, acting upon a recommendation of the Mayor, hereby abolishes the independent departments currently known as Veterans' Services, Human Services, and Council on Aging, and establishes a new Human Services Department which shall be comprised of a Veterans' Services Office, a Human Services Office, and a Council On Aging Office in accordance with the following amendments to the Code of the City of Marlborough (hereinafter, "the City Code"):

SECTION 1.

The City Code is hereby amended by inserting in Chapter 7 the following new Article:

Article XVII
HUMAN SERVICES DEPARTMENT

§7-86. Establishment.

- A. There shall be a Human Services Department which shall have all the powers and duties now or from time to time vested by the General Laws or Special Acts of the Legislature of the Commonwealth and the ordinances of the City.
- B. The departments or offices of Veterans' Services, Human Services, and Council on Aging shall be abolished as independent departments or offices, and shall transfer to the Human Services Department as interdependent subsidiary offices known as the Veterans' Services Office, Human Services Office, and Council on Aging Office.
- C. No contracts or liabilities in force shall be affected by such abolition, but the Human Services Department shall in all respects be the lawful successors of the departments or offices so abolished.
- D. To the extent that employees of the abolished department or offices, including those who were appointed immediately before the effective date of this order and who hold permanent appointment in positions classified under chapter 31 of the General Laws, or hold confidential positions, are transferred to the Human Services Department, such transfers shall be effected without interruption of service within the meaning of said section 33 of said chapter 31, without impairment of seniority, retirement or other rights of the employee, notwithstanding any change in title or duties resulting from such reorganization, and without loss of accrued rights to holidays, sick leave, vacation and benefits, and without change in union representation or certified collective bargaining unit as certified by the state division of labor relations or in local union representation or affiliation, if any. Any collective bargaining agreement in effect immediately before the transfer date shall continue in effect and the terms and conditions of employment therein shall continue as if the employees had not been so transferred. The reorganization shall not impair the civil service status of any such reassigned employee who immediately before the effective date of this act either

holds a permanent appointment in a position classified under chapter 31 of the General Laws. Notwithstanding any other general or special law to the contrary, all such employees shall continue to retain their right to collectively bargain pursuant to chapter 150E of the General Laws and shall be considered employees for the purposes of said chapter 150E. Nothing in this section shall be construed to confer upon any employee any right not held immediately before the date of said transfer, or to prohibit any reduction of salary grade, transfer, reassignment, suspension, discharge, layoff, or abolition of position not prohibited before such date. Employees of abolished departments or offices are hereby transferred to the new offices and departments within the Human Services Department without impairment of their civil service, retirement, personal leave or seniority rights and benefits.

§7-87. Appointment; term.

- A. The Mayor shall appoint, subject to confirmation of the City Council, an Executive Director of Human Services.
- B. The term for said position shall be three years.

§ 7-88 Duties.

- A. The Executive Director of Human Services shall be responsible for planning and administering all the operations of the Human Services Department.
- B. The Executive Director of Human Services shall direct strategic planning for the Human Services Department, prepare budgets with the assistance of the Veterans' Agent, the Human Services Manager, and the Council On Aging Program Manager, and ensure that programs and services are run in accordance with the policy of the City and applicable laws.
- C. The Executive Director of Human Services shall plan and supervise department operations and personnel, working independently and in combination with others, and shall provide employees of the offices of Veterans' Services, Human Services, and Council on Aging occasional guidance and special directives.
- D. The Executive Director of Human Services shall works under the policy direction of the Mayor, and shall assume responsibility for developing and achieving departmental goals and objectives.

SECTION 2. *Veterans Services*

Chapter 7 of the City Code is hereby amended as follows:

- a.) Article X, as appearing in the 2008 edition of the City Code, is hereby amended by striking from the title of the article the following words – “Director of Veteran’s Services” – and inserting in place thereof the following words – “Veterans’ Agent”.
- b.) Said Article X is hereby further amended by striking from § 7-60, as appearing in the 2008 edition of the City Code, the following words – “Director of Veterans Services” - and inserting in place thereof the following words - “Veterans’ Agent for the Veterans’ Services Office”.
- c.) Said Article X is hereby further amended by striking from § 7-60, as appearing in the 2008 edition of the City Code, the following words and punctuation – “, subject to confirmation by the City Council,”.
- d.) Said Article X is hereby further amended by striking from § 7-61, as appearing in the 2008 edition of the City Code, the following words - “Any appointee” - and inserting in place thereof the following words – “The Veterans’ Agent”, and by inserting at the end of the paragraph the following sentence - “Any appointee to this position shall also have a bachelors degree in business administration or social services and five years of experience in veterans administration, social welfare or related work, or any equivalent combination of education and experience.”
- e.) Said Article X is hereby further amended by inserting into § 7-62, as appearing in the 2008 edition of the City Code, the following letter - “A.” - at the beginning of the existing paragraph, by striking from the last sentence of the existing paragraph the following word -“Director” - and by inserting in place thereof the following words - “Veterans Agent” - and by adding to the end of the existing paragraph the following sentence – “The Veterans' Agent shall also be responsible for maintaining and improving upon the efficiency and effectiveness of all areas under his/her control.”
- f.) Said Article X is hereby further amended by inserting into § 7-62, as appearing in the 2008 edition of the City Code, the following paragraphs:
 - A. The Veterans’ Agent shall perform varied duties with a high level of independent judgment in the administration and execution of services, and the administration of benefits and other assistance services to veterans and their dependents. The Veterans’ Agent participates in planning for the Veterans’ Agent Office under the guidance of the Executive Director of Human Services, and refers specific problems to the Executive Director of Human Service only when clarification and interpretation of City policy is required.

- B. The Veterans' Agent shall perform his/her duties under the direction of the Executive Director of Human Services and in accordance with Massachusetts General Laws and the rules and regulations of the United States Veterans' Administration.

SECTION 3. *Human Services*

Chapter 7 of the City Code is hereby amended as follows:

1. Section 650-21, entitled "Retirement Community Residence Districts," is hereby amended:
 - a. by amending subsection C(3) thereof, by deleting the second sentence thereof, which heretofore read "At least 66% of the living area in each unit shall be located on the first floor."
 - b. by amending subsection C(8) thereof, by amending the second sentence thereof, by adding after the word "provide" the following words:-- at least.
2. Section 650-22, entitled "Retirement Community Overlay Districts," is hereby amended:
 - a. by amending subsection C thereof, entitled "Permitted uses":
 - i. by amending the introduction thereof, by striking out in the sixth line thereof the following words:-- "and such additional multifamily housing units segregated onto a separate portion of the site, referred to herein as an 'ancillary residential community,' as the City Council deems appropriate,".
 - ii. by amending subsection (3) thereof, by deleting the second sentence thereof, which heretofore read "At least 66% of the living area in each unit shall be located on the first floor."
 - iii. by amending subsection (8) thereof, by amending the second sentence thereof, by adding after the word "provide" the following words:-- at least.

- iv. by amending subsection (14) thereof, by striking out said subsection in its entirety, including sub-subsections (a) through (f), which heretofore read:

“(14) The following site development provisions shall apply to any ancillary residential community which is approved in conjunction with the granting of a special permit for the construction of a retirement community:

(a) Each building in an ancillary residential community shall face either upon an existing street or upon a public or private way constructed within said ancillary residential community and shall have a minimum front yard of no less than 10 feet from the edge of the paved way to the closest point of the structure. Each building, whether principal or accessory, shall be at least 50 feet from any other building by air line distance between the nearest points of the building.

(b) No dwelling unit shall contain less than 800 square feet of floor space exclusive of halls and stairs, and no room shall contain less than 120 square feet.

(c) No part of any building in any ancillary residential community shall be less than 30 feet from any lot line, less than 50 feet from any street, or less than 80 feet from the nearest structure in a retirement community.

(d) All site landscaping shall be designed so as to provide a clear sense of separation between the ancillary residential community and a retirement community. Landscape design preference shall be given to the maintenance of existing trees and ground cover. The development of large lawn areas shall be minimized.

(e) The City Council may, as a condition of any special permit which includes an ancillary residential community, require that the land area on which the ancillary residential community is located be permanently maintained as one undivided lot or, within a condominium, as one undivided condominium unit, or require such other legal mechanism as will, in the opinion of the City Council, assure that the said ancillary residential community will not be subdivided or its ownership further condominiumized, that said ancillary residential community will remain as rental housing, and that ownership of said ancillary residential community will remain consolidated.

(f) The total number of units in an ancillary residential facility shall not exceed 30% of the combined total of retirement community and ancillary apartment units.”

- v. by amending subsection (15) thereof, by amending the introduction thereof, by striking out in the first line thereof the following words:-- “and which does not include any ancillary residential community”.

3. The effective date of these amendments shall be the date on which they are voted upon by the city council.

APPROVED; adopted.

RE: Request for Executive Session

Honorable President Vigeant and Councilors:

I hereby request the opportunity to meet with you in executive session during your scheduled Council meeting of May 9, 2011. I am requesting this meeting for the purpose of discussing collective bargaining strategy, as an open meeting may have a detrimental effect on the collective bargaining position of the City of Marlborough.

I have enclosed a proposed Council order reflecting this request, which is in conformance with the terms and conditions set forth in M.G.L. c. 30A, § 21(3).

Thank you for your attention to this matter.

Sincerely,

Nancy E. Stevens
Mayor

Enclosure

ORDERED:

It is moved, in conformance with the provisions of § 21(3) of Chapter 30 of the General Laws of the Commonwealth, that the Marlborough City Council conduct an executive session for the purpose of discussing strategy with respect to collective bargaining, as an open meeting may have a detrimental effect on the collective bargaining position of the City of Marlborough. It is further moved and stated that the Marlborough City Council will re-convene in open session after the executive session.

Honorable President Vigeant and Councilors:

As the City of Marlborough's Chief Executive Officer, I am submitting herewith my Administration's proposed Fiscal Year 2012 (FY12) budget in the amount of \$124,999,703.00 for your review and appropriation. This spending plan reflects an overall increase of 3.98% over the approved Fiscal Year 2011 budget.

I would like to publically acknowledge and recognize Comptroller /Treasurer Tom Abel, City Auditor Diane Smith and all of the Department Heads for their help, guidance and input. I am truly amazed at the dedication and commitment of this group of professionals. We as a city owe them, as well as all of our dedicated employees, a debt of gratitude for all that they do on a daily basis to make Marlborough a great city in which to live, work and raise a family.

I am pleased to report that for the fourth consecutive year there will be no increase in our healthcare premiums. Given the current costs of healthcare around the country and within the Commonwealth, our ability to contain costs and level fund our premiums for this length of time is unprecedented. This has been financially beneficial to both the City and our employees.

We have included some changes that are more efficient and effective from a budget and accountability standpoint. For example, in the Department of Public Works' budget, we have taken all vehicle repair and maintenance accounts and combined them into one account under the repair shop division. In addition, we have shifted the majority of school support accounts over to the School Department including healthcare and unemployment. Further, you will see the combined budget for Veterans, Council on Aging and Human Services into the newly established Human Services Department.

The budget for the Assessor's office has increased by \$85,659.71 or 20%. The significant increase in the valuation services line item is directly related to the mandatory state recertification process.

In the Department of Public Works you will see significant increases in various accounts such as trench maintenance, CH 90, sidewalk repair and guardrail to name a few, that are directly related to the snow this past winter. The extraordinary winter took a harsh toll on our roads and infrastructure, and these issues must be addressed. In addition, we will be looking to the Council in the near future to once again open discussions regarding the issue of solid waste/recyclables collection and disposal, including recommendations for modifications to our current procedures to reduce the overall costs for this program. You will also note the significant increase in the budgeted amount for fuel. As we all know, the price for fuel has increased significantly over the last several months with no relief predicted in the near future. We have utilized historical fuel consumption and calculated the estimated funding needed using the price as of May 3, 2011.

In the property and building maintenance department you will note the 17.6% increase in electricity. This, as in the fuel account, is based on current prices and historical usage. Further in this department you will note the increase in the sick leave buyback line item. Normally this would be included in the fringes account, where at the time of the employee's retirement, a transfer would be requested. This employee is retiring as of July 1st, which will not allow time for a transfer to go through the normal process.

Contained in the Information Technology Department, we have included funds needed for a conversion of our Munis system and well as a data conversion. This will add an extra layer of security as well as allow users to access important data at all times, including emergencies.

Finally, there are some personnel changes and additional positions contained within this budget submittal.

First, in the elections division we have reorganized the clerical positions. We have upgraded the senior clerk position to that of a principal clerk, eliminated the head clerk and added two part-time clerks. This will allow greater flexibility and efficiency within this department.

Second, is the Department of (Planning), Community and Economic Development. In the FY12 budget I have included the planner position that was eliminated during the FY2011 budget process, as well as the two current positions within the CDA. As you know, the Community Development Block Grants have been reduced on the federal level. These were the funds that have been used in the past to pay for the salaries of the Community Development Authority (CDA) employees. The CDA has many beneficial projects currently within the City, and the loss of these positions would have a significant impact on the projects and services provided by this department. It is rare that a municipality does not fund the CDA within their communities. I have also budgeted for a part-time clerk within this department to provide administrative support. Members of the CDA will be available to discuss these positions.

Lastly, I have included \$200,000.00 for the Marlborough 2010 Corporation, d.b.a. the Marlborough Economic Development Corporation, for their continued support of economic development within the City. Last fall, the City Council approved an increase in the local hotel tax specifically intended for economic development. As you know, the home rule petition is pending before the legislature; therefore, the revenue generated by the increase in the hotel tax is currently being deposited into the general fund. Until such time as the stabilization account is approved, we must appropriate funds in our operating budget in order to use these additional funds for the purpose for which they were intended.

In addition, attached is a letter from City Solicitor Don Rider outlining Massachusetts General Law c. 44, § 32 detailing the forty-five day timetable for Council action on the FY12 Budget, as well as an order authorizing deficit spending in snow and ice accounts for FY12.

As always, please feel free to contact me with any questions or concerns.

Sincerely,

RE: DPW TRANSFER REQUESTS

Dear Mayor Stevens,

Enclosed herewith is the department's most recent request for inter-departmental transfers totaling \$33,865. If approved, the transfers requested will, among other things, facilitate final trench repairs, sewer pumping station repairs and overtime in our Water & Sewer and Wastewater Divisions.

Each of the accounts we are seeking additional funds have been covered by surpluses within our operating budget as defined in the transfer request. Explanations for the transfers have also been included.

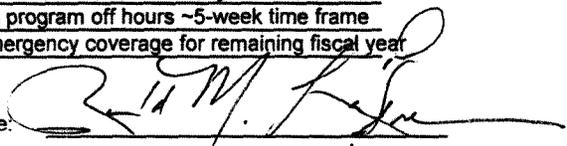

Should you have any questions regarding the above, please do not hesitate to contact me.

Sincerely,

Ronald M. LaFreniere, P.E.

RE: Transfer Request – Library

Honorable President Vigeant and Councilors:

As submitted by Library Director Margaret Cardello, attached herewith is the following transfer request from the Library Department:

Transfer in the amount of \$3,200 from account number 16100001-50230 (Library Director) to account number 16100003-51259 (Part-time Reference Librarians)

This transfer is necessary to cover FY11 staff salaries for employees who worked in excess of budgeted hours to cover for vacations and absences.

As always, please feel free to contact me with any questions or concerns.

Dear Mayor Stevens,

Attached is my request for a Budget Transfer. This request is being made to cover FY2011 payroll for the PT Reference Librarians.

These funds are needed because early in FY2011 staff worked more than the budgeted hours to cover vacations and other absences. By doing so they exceeded the budgeted amounts for these positions.

If you have any questions, please let me know.

Thank you.

Honorable President Vigeant and Councilors:

The FY07 sewer bond authorization has approximately \$272,000 remaining. Based on confirmation from the City Comptroller Tom Abel, the FY07 funds may be used on the final design phase of the East Plant. I am, therefore, reducing the pending bond authorization request in the amount of \$3,730,000 to \$3,458,000.

RE: Green Communities Grant

Honorable President Vigeant and Councilors:

I am pleased to report that the Massachusetts Department of Energy Resources (DOER) Green Communities Division has reviewed and approved grant funding to the City of Marlborough in the amount of \$217,125.00. This grant provides funding for eleven municipal energy-saving projects. Details are included in the attached documentation.

I would like to acknowledge the efforts of Conservation Officer Priscilla Ryder and Public Facilities Director John Ghiloni for their contributions in helping Marlborough achieve its designation as a "Green Community". These eleven projects will enable the City to make significant progress toward its energy and sustainability related goals.

As outlined in MGL, Chapter 44, Section 53A, I am recommending that the City Council approve the expenditure of these funds for the purposes outlined.

As always, please feel free to call with any questions or concerns.

Sincerely,

Nancy E. Stevens

RE: Green Communities Grant Acceptance and Contract

Dear Mayor Stevens:

We are pleased to report that the Green Communities Division of the Department of Energy Resources (DOER) has approved the application submitted on behalf of the city to spend \$217,125.00 in awarded grant funds. The funding will enable the city to take action on eleven projects which will help the city reduce its energy use significantly, saving the city money and will help the city reach its Green Communities designation goal of a 20% reduction in municipal energy use by 2014.

As required, we are submitting for your review a copy of: the grant approval letter, and a copy of the Notice of Grant Award form. We request that you submit this package to the City council for approval to expend the funds received for the purpose of the grant.

The following projects will be funded by this grant:

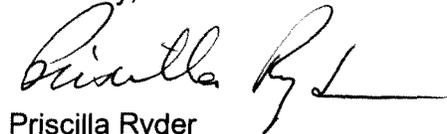

1. Purchase of a hybrid vehicle
2. Site evaluation for a solar PV system at the Easterly Waste Water Treatment Plant landfill
3. An Energy Efficiency Manager consultant to help manage all municipal buildings and find more opportunities for savings and efficiencies in the municipal operations and throughout the city
4. 355 Bolton Street- Police Station, lighting upgrades
5. 215 Maple Street- Fire station, lighting upgrades
6. 260 Boston Post Road- Fire Station, lighting upgrades
7. 104 Pleasant Street- Fire Station, lighting upgrades
8. 25 Union Street- Whitcomb School, vending miser controls, building performance optimization, upgrade the ventilation in the auditorium and large gym and small gym and library

9. 17 Washington Street- District Education Center, vending miser controls, occupancy sensors, and CO2 controls
10. 520 Farm Road – Kane School , vending miser controls, a VFD air unit, and occupancy sensors
11. 80 Foley Road- Richer School, boiler/burner replacement

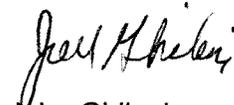

John Ghiloni and I are prepared to make a presentation to the City Council outlining the projects approved in this grant award and answer any questions the Council may have regarding this grant award or the Green Communities program designation.

If you have any questions on the above, please contact us.

Subject: MARLBOROUGH--Green Community Grant Contract Documents

Mayor Stevens-

The City of MARLBOROUGH has applied to use grant funding of \$ 217,125.00 to fund the purchase of a hybrid vehicle; a site evaluation for a solar PV system; an Energy Efficiency Manager position; and the following energy conservation measures: lighting upgrades at 355 Bolton Street, 215 Maple Street, 260 Boston Post Road, 104 Pleasant Street; vending miser controls, building performance optimization, upgrade the ventilation in the auditorium and large gym and small gym and library at 25 Union Street; vending miser controls, occupancy sensors and CO2 controls at 17 Washington Street; vending miser controls, a VFD air unit, and occupancy sensors at 520 Farm Road; boiler/burner replacement at 80 Foley Road.

DOER has reviewed and approved these projects with contingencies as applicable. The attached contract document, as well as 4 additional fiscal-related documents (EFT_FORM.pdf, comm_TermsConditions.doc, Contractor Authorized Signatory Listing.doc, Request for Taxpayer Identification Number and Certification (W-9).doc), together comprise a contract between DOER and the City for the funding awarded at the time of Marlborough's Green Community Designation. When all the documents have been returned signed and our Fiscal Director has signed and executed the contract, I will return a scanned copy to you for your records.

Please review these documents carefully. Let me know if you have any questions or propose making changes.

I draw your attention to the following elements in these contract documents to review and consider:

In I. THE STANDARD CONTRACT (page 1)

- The Contract Manager ,also the Authorizing Signature for the Contractor. This person must also be listed on the Contractor Authorized Signatory Listing document.

In III. ATTACHMENT A – SCOPE OF GRANT AWARD (beginning around pg 19)

- Contingencies
- Program Schedule
- Disbursement of Funds schedule

In IV. ATTACHMENT B – BUDGET (Note that first disbursement of funds is scheduled for Fiscal Year 2012, after July 1st, 2011)

Please return all signed documents to me by mail in a month's time including the **MUNICIPAL PROJECT APPROVAL LETTER** (Attachment C) on letterhead, if possible. I would appreciate an email when these documents are in the mail so I can look for them.

I look forward to working with you in the future.

RE: City Re-precincting

Honorable President Vigeant and Councilors:

Political district boundaries must be redrawn every ten years after census information is released. Population changes are addressed, and districts which are reasonably equal in population are established to ensure accurate and proper representation.

Cities and towns must also adopt a re-precincting plan after being notified of the official data obtained from the 2010 federal census. I have provided copies of Marlborough's redrawn precinct maps as proposed by Secretary of State Galvin's office. Full-sized copies were provided to both the City Council office and the City Clerk's office.

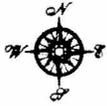

As always, please feel free to call with any questions or concerns.

Sincerely,

Re: Wireless Communications Facility (WCF) Special Variance – 402 Hudson Street,
Marlborough, MA

Dear Councilors,

I have reviewed the application for a variance for a Wireless Communications Facility (WCF) at the city's former landfill site located at 402 Hudson Street, here in Marlborough. The application by U.S. Wireless, LLC is dated May 5, 2011 and as the department head charged with the care, custody and control of this property, I wholeheartedly support the application.

As you are aware, the proposed facility, in addition to hosting commercial wireless communications carriers, will also provide the City of Marlborough's Police, Fire, DPW, emergency management and City's Informational Technology departments with radio antenna communication equipment attachment space on the tower to facilitate and improve emergency, mutual aid, and day-to-day communications into the City's public safety communications center.

As you are also aware, the former landfill site is the subject of a master plan for new recreation facilities which we hope to develop in the near future. By locating the proposed WCF on leased property under the control of the city of Marlborough, income

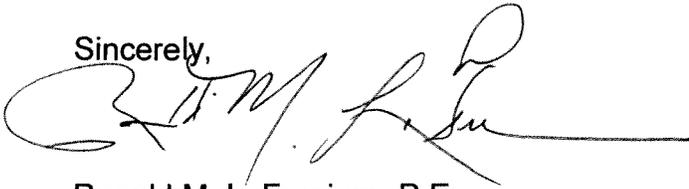

Marlborough City Council

May 5, 2011

generated from the lease agreement could provide a dedicated revenue stream to help construct and/or maintain the proposed recreation facilities.

I respectfully request your favorable consideration of this application and as always, should you have any questions regarding my support of this proposal, please do not hesitate to contact me.

Sincerely,

Traffic Commission

+

The Regular Meeting of the Traffic Commission was held on Tuesday, February 22, 2011 at 10:00 a.m. in the City Council Committee Room, City Hall. Members present: Chairman Police Chief Mark Leonard, Vice Chairman – DPW Commissioner Ronald LaFreniere, Fire Chief Ricky Plummer and City Clerk Lisa Thomas. Also present: Asst. City Engineer Tim Collins, Minutes taken by: Karen Lambert, MPD Records Clerk.

1- Minutes

The minutes of the Traffic Commission meeting of Tuesday, December 21, 2010.

MOTION was made, seconded, duly VOTED:

To APPROVE.

2-New Business

2a. Communication from Councilor Clancy, re: parking at Rail Trail head on Lincoln Street.

Councilor Clancy asked if there was a designated parking area at this location. He commented that this area is often filled with cars from the new beauty salon and that they obstruct the entrance to the trail forcing people to walk into the street to get around them. Tim Collins provided a map of this location with the area in question highlighted. Chief Leonard advised that there is no plan for parking here. It is a very difficult place to pull in and out. Parking should be formally restricted. It is not a problem now due to the fact that the trail is still covered with snow but it will be soon.

MOTION was made, seconded, duly VOTED to refer to ENGINEERING for review and to determine the proper wording for the regulation to restrict parking and to the POLICE DEPARTMENT for enforcement.

2b. Communication from Rich Holland, re: parking in Municipal lot on Granger Blvd. @ Florence St.

Mr. Holland is concerned about the large influx of people that are parking in this lot all day, i.e. employees of the Post Office, Middlesex Cooling, Marlborough Locksmith and

the new Marlborough Savings Bank. This leaves little room for both employees of his building and their clients. Tim Collins provided a map of this location which indicates a total of 19 spaces with a 2 hour parking restriction and 2 handicapped spaces in front of his building and 25 spaces in the municipal lot. Chief Leonard commented that we are not in the business of determining who can park where. He said that he recently drove by this area and observed 3 open spots in the bank of 2 hour parking. He also drove through the parking decks and found plenty of parking available though the decks do tend to fill up during a snow storm. Ron LaFreniere said that he has never seen a situation where no parking is available on the top of either deck. The problem is that those businesses that about the lot feel that it is "their" lot. The Commission determined that there is plenty of parking available and that this issue will not be put on the agenda again, unless there is an unusual circumstance.

MOTION was made, seconded, duly VOTED to ACCEPT and PLACE ON FILE.

2c. Communication from Pam Wilderman, re: parking on Belmont and Newton Streets.

Pam and Tim Collins visited these 2 streets on December 6, 2010. In her follow up correspondence to the Traffic Commission, Pam indicated that there are a number of locations on both streets where parking issues would be generated. She outlined them under 5 main categories: 1) Illegal Driveways 2) Property Use Expansion 3) Blight 4) Commercial Vehicles/Oversized Vehicles and 5) Lack of Information/Consideration. Tim commented that there was a building that seemed to be used as a boarding house.

MOTION was made, seconded, duly VOTED to TABLE for now as Pam was not able to attend the meeting.

2d. Communication from Pam Wilderman, re: Sign on Maple @ Walker Street.

Pam indicates in her correspondence that her office, the City Council office and the Mayor's office have received numerous complaints concerning the brightness of this sign and its adverse effect on visibility for vehicle traffic. Chief Leonard advised that he has looked at this sign several times and does not see the problem. He commented that the sign is on the side of the building itself. Tim noted that the colors on the sign are constantly changing and that when the background changes to white it is, in fact, extremely bright. Pam's concern is from a safety standpoint as the driver's attention is diverted from the intersection to the sign. Ron LaFreniere advised that he travels this road often and will monitor the sign and let the chief and others know.

MOTION was made, seconded, duly VOTED to TABLE for now and discuss in further detail at the next meeting.

2e. Request for HP Parking on Cotting Ave.

This request came from a disabled individual in this area. He was concerned about parking here and wanted to know if a handicapped spot could be designated. Chief Leonard believes that this individual does have a parking space on Cotting Ave. but that it was plowed in over the winter. The resident then received a ticket because he had to park elsewhere. He could not utilize HP spaces in the city lot because of the distance.

Chief Leonard believes that this issue may have rectified itself now that the snow is gone. The Commission is reluctant to designate a handicapped spot on a public way. At the time of this meeting Chief Leonard had left a message for the resident but did not hear back.

MOTION was made, seconded, duly VOTED to TABLE until Chief Leonard is able to speak with the resident about the current status.

3-Old Business

3c. Stop signs on Bigelow Street.

The dates that Chief Leonard had originally tried to schedule a community meeting did not work for the entire committee. A new date was to be discussed at the January meeting; however, the meeting never took place due to bad weather. The Commission briefly reviewed the stop sign options to be presented at the community meeting, i.e. 1) remove all 2) leave as is 3) remove some (at Shea, Doucette and Nashoba) with the potential for new sidewalks to accommodate pedestrian traffic. Tim Collins has put together a power point presentation for the meeting. Abutters will need to be notified. The meeting will be posted on the city website and Councilors Pope and Tunnera will flyer the neighborhood. A notice could also be sent out through the reverse 911 system. The Commission is hoping to hold the meeting at Hillside School and is tentatively scheduled for April 13th at 7:00 pm.

MOTION was made, seconded, duly VOTED to refer to CHIEF LEONARD to finalize the date for the meeting and confirm the location with Councilor Pope.

3f. Communication from Margaret Eddy, re: Request for a crosswalk near 295 Donald Lynch Blvd.

Chief Leonard put together the regulation for the new crosswalk on Donald Lynch Blvd. It was determined that the best location was east of the driveway of #290, where there is a break in the roadway at the island.

MOTION was made, seconded, duly VOTED to APPROVE the new regulation for the crosswalk as noted above.

3g. Communication from Kate and Nathan Watkins Re: Traffic/speeding concerns on Lincoln St. near Ryan Court.

Tim Collins put together a memo to the Traffic Commission, dated 1/25/11, indicating two conflicts he noticed in the Rules and Regulations when researching this issue. He included a map which illustrates the conflict. An original regulation from 1/29/04 indicates no parking on both sides of Lincoln Street from Stevens Street continuing westerly for 120 feet. A new regulation was added 6/21/94 extending the no parking westerly to Ryan Court. Tim noted that the first regulation should have been repealed. On 10/14/97 a new regulation was added to extend the no parking on the north side from East Main to Bolton. When the new regulation was adopted the preceding regulation should have been amended to reflect the south side only.

MOTION was made, seconded, duly VOTED to refer to CHIEF LEONARD to amend the regulations to alleviate all conflict as outlined in Tim's memo of 1/25/11.

3j. Traffic regulations at the elderly housing properties.

Tim Collins prepared a memo to the Traffic Commission, dated 1/25/11, in which he outlined the three senior housing locations, i.e. 1) 240 Main Street 2) 20 Pleasant Street and 3) 397 Bolton Street, and the proposed parking regulations that he discussed with Julie Pappazisis – the Senior Housing Director. His memo includes a diagram of each location with the proposed regulations clearly indicated. Tim also included a diagram of Map 43 Parcel 88 which is the 9.53 Acres owned by the Recreation Dept. This is the area which includes the senior housing complex at 397 Bolton St. This area is being utilized by Elderly Housing, the Rec. Dept., the Police Dept. and the School Dept., however was never formally divided. He needs to get in touch with Legal to resolve the ownership issues before any formal regulations can be put into place. Ron agreed that this area should be formally divided by the way the area is currently being used. The issue needs to be brought before the City Council to legally determine who has “care, custody and control” over each area.

MOTION was made, seconded, duly VOTED to refer to CHIEF LEONARD to prepare the regulations that he could, as outlined in Tim's memo, and to ENGINEERING to work on outstanding issues.

3a. Municipal off street parking regulation.

MOTION was made, seconded, duly VOTED:
To TABLE.

3b. High School parking regulations.

MOTION was made, seconded, duly VOTED:
To TABLE.

3d. Traffic Commission rules and regulations update.

MOTION was made, seconded, duly VOTED:
To TABLE.

3e. Communication from Councilor Tunnera, re: Parking issues on Belmont Street.

MOTION was made, seconded, duly VOTED:
To TABLE.

3i. Communication from Capt. D'Amico, MFD, re: Parking on Newton St.

MOTION was made, seconded, duly VOTED:
To TABLE.

That there being no further business of the Traffic Commission held on this date, the meeting adjourned at 11:24 p.m.

Respectfully submitted,
Karen L. Lambert - Records Clerk, MPD

Traffic Commission

The Regular Meeting of the Traffic Commission was held on Friday, April 1, 2011 at 9:00 a.m. in the City Council Committee Room, City Hall. Members present: Chairman Police Chief Mark Leonard, Vice Chairman – DPW Commissioner Ronald LaFreniere, Fire Chief Ricky Plummer and City Clerk Lisa Thomas. Also present: City Engineer Thomas Cullen, Asst. City Engineer Tim Collins and Jr. Civil Engineer Josh Reinke, Minutes taken by: Karen Lambert, MPD Records Clerk.

1- Minutes

The minutes of the Traffic Commission meeting of Tuesday, February 22, 2011.

MOTION was made, seconded, duly VOTED:
To APPROVE.

2-New Business

2a. Communication from Ann Richards, AMSA Charter School, re: School zone on Forest Street.

The letter from Ann Richards indicates that they are also requesting “two illuminated ‘slow/school is open’ signs on Forest Street”. AMSA would be willing to assume the cost to purchase these signs. A brief discussion about sign requirements followed. AMSA is really just looking for a warning sign. Chief Leonard said that the issue of the school zone has come before the commission before; however, initially there was no crosswalk at this location. There currently is a crosswalk and a crossing guard here though there are still very few walkers. Ron commented that there are more students at the school then when we first addressed the issue. This area of the roadway has also been reconstructed. It makes sense to revisit the issue.

MOTION was made, seconded, duly VOTED to refer to ENGINEERING for their review and recommendation.

Suspension of Rules –

Several new items brought up that were not included on today's agenda:**1) Correspondence from Craig Macauley, re: safety issue at intersection of Bolton Street and Washington Street.**

Ron LaFreniere advised that the DPW has also received this request and that they are planning on repainting the crosswalk.

2) Correspondence from Barbara Bouthilette, re: No Parking Any Time signs on Harrison Place.

Ms. Bouthilette's correspondence indicates that the sign has been moved and that she has trouble getting out of her driveway when cars are parked on the street. Ron advised that the DPW is aware of this issue and will take care of it.

3) E-mail from Kate LaRose regarding the crosswalk at the Renaissance Lofts.

Mr. & Mrs. Daly, new residents of the complex, have expressed concerns about safety in the area of the crosswalk. They would like to see a warning sign for the crosswalk and possibly have it more brightly painted so it stands out.

Ron advised that the DPW will also look into this issue.

3-Old Business**3c. Stop signs on Bigelow Street.**

Chief Leonard advised that the notice about the community meeting has been placed on the city website. It indicates that it is open to "area residents". On Monday, 4/4/11, the reverse 911 call will go out advising of the meeting which will be held on Wednesday 4/13 at 7:00pm at Hillside School. It was determined that the group did not need to meet again prior to the meeting. Chief Leonard, however, did ask if Tim Collins could e-mail the PowerPoint presentation to the group. He also asked if Tim could prepare some handouts as a backup. This will be an informational meeting to gather information from residents and present alternatives. Chief Leonard will follow up with Councilor Pope on materials needed at the meeting, i.e. projection screen, microphone, extension cord, tables etc. He will also forward a meeting posting notice to Lisa. Ron also advised that the sign board will be put into place on Bigelow Street to advertise the meeting.

MOTION was made, seconded, duly VOTED to refer to 1) Chief Leonard to follow up with Councilor Pope on required items for meeting and to forward meeting posting to Lisa Thomas 2) DPW for placement of the sign board and 3) to Tim Collins to e-mail PowerPoint presentation to all members.

3g. Communication from Kate and Nathan Watkins Re: Traffic/speeding concerns on Lincoln St. near Ryan Court.

Chief Leonard drew up the revised regulations (3 in total) as per Tim Collins' memo of 1/25/11 and presented them to the Commission for a vote. Two of the revisions delete existing regulations that caused an overlap and confusion. The third creates the new regulation adding No Stopping, Standing or Parking on the south side of Lincoln Street from Ret. 20, westerly to the easterly side line of Ryan Court.

MOTION was made, seconded, duly VOTED to APPROVE the three regulations as noted above. Chief Leonard will forward to Lisa Thomas for advertisement.

3m. Communication from Pam Wilderman, re: Sign on Maple @ Walker Street.

Chief Leonard advised that he does not see a problem with this issue from a Traffic Commission standpoint, however, he would like to discuss with Pam in more detail.

MOTION was made, seconded, duly VOTED to TBALE until Pam Wilderman is available for further discussion.

3d. Traffic Commission rules and regulations update.

Lisa brought this issue up again and advised that the manual really needs to be updated soon. There are at least 55 new additions to the manual since Lisa last worked on it. She advised that the city hired an outside firm to update the city's General Code. They updated the manual and put it online. She is now hoping to utilize this same firm to update the traffic commission rules and regs. manual. She submitted all the info. and they gave her a figure of \$5,000. With the city code, any amendments are added to the top section and then are periodically reinserted into the proper section. There is also a yearly fee for maintenance/updating amendments. All agreed that this is something that needs to be done.

MOTION was made, seconded, duly VOTED to REFER to Chief Leonard to discuss with Mayor Stevens.

3i. Communication from Councilor Pope, re: Pedestrian crossing concerns near Hillside School.

MOTION was made, seconded, duly VOTED to TABLE until later into Spring.

3j. Traffic regulations at the elderly housing properties.

Chief Leonard had hoped to get together with Tim prior to the meeting to discuss this issue in more detail. It appears that parking would be allowed in "designated spaces only" but there was confusion as to how this should be handled in each of the housing properties. Ron advised that when dealing with private property, it would be easier to approve a Grant of Authority and have the site plan be a part of the regulation for reference purposes. It would be easier to refer to an approved site plan. There is already a section in the document for Approved Site Plans. Chief Leonard asked if the parking regs. at these locations could fall under the section for "No Parking Anytime". The problem here is that there are no street names to list. Ron asked about how parking is restricted in the parking decks on the ramps etc. Tim referred to a section in the manual

where he believed the restriction would fit: Article 4, Stopping and Standing, Section 22-10, however, the commission would first need a Grant of Authority from Elderly Housing.

MOTION was made, seconded, duly VOTED to REFER to Chief Leonard to discuss with Tim in more detail.

3k. Communication from Councilor Clancy, re: parking at Rail Trail head on Lincoln Street.

Tim advised that Highland Street is scheduled for reconstruction. As part of the project, granite curbing will be put in place along with more landscaping that will narrow the pavement area in question.

MOTION was made, seconded, duly VOTED to DELETE this item from the agenda as it will be dealt with as part of the reconstruction project.

3h. Communication from Pam Wilderman, re: parking on Belmont and Newton Streets.

Tim commented that he believes Pam's letters were sent out, however, they do not appear to be working. Also, the parking ban ended March 15 and he anticipates more vehicles in the area.

MOTION was made, seconded, duly VOTED to TABLE as Pam was not able to attend the meeting.

3e. Communication from Councilor Tunnera, re: Parking issues on Belmont Street.

MOTION was made, seconded, duly VOTED to TABLE as Councilor Tunnera was unable to attend the rescheduled meeting.

3a. Municipal off street parking regulation.

MOTION was made, seconded, duly VOTED:
To TABLE.

3b. High School parking regulations.

MOTION was made, seconded, duly VOTED:
To TABLE.

Suspension of Rules –

Items not on Agenda:

- 1) Parking of Commercial Vehicles on Public Way**

Chief Leonard advised that he was approached by Councilor Vigeant about a situation on Brown Street where a truck was parked in front of a neighbor's property. There is currently no parking restriction here and the vehicle in question was legally parked. The truck is owned by Jerry Dumais. Chief Leonard noted that he did talk to Mr. Dumais about this and Mr. Dumais advised that he would park in front of his own property.

2) New Traffic Commission Member

Chief Leonard brought up the fact that the Traffic Commission needs to have a fifth member. This position was previously held by the City Planner; however, there is no longer anyone in that position. Chief Leonard advised that he would prefer that the new member be the City Engineer, as the engineer is always present at the meetings and the majority of the issues get referred to engineering. Ron advised that the Traffic Commission was created by a special act of the legislature and would require legislative approval to make a change.

Chief Leonard advised that he will discuss the proper language with Ron and talk to Mayor Stevens about future plans for the position of City Planner. At this time, however, there are no plans to fill this position.

That there being no further business of the Traffic Commission held on this date, the meeting adjourned at 10:05 am.

CHAIRS BUSINESS

Conservation Commission Communication

Ms. Priscilla Ryder, the Conservation Officer for the City of Marlborough, stated in her communication to the Mayor that she has received two checks, in the amount of \$5,000.00 to be deposited into the Conservation Maintenance Fund. The first check was from the Fafard Real Estate Company, Inc. was provided as a requirement of the Open Space Development Planning Board special permit for the Forest Grove Subdivision. The second check was from Avidia Bank was provided as a requirement of the Open Space Development Planning Board special permit for the Forest Trails subdivision. The monies are used to fund Conservation Maintenance within the City limits.

On a motion by Mr. Fay, seconded by Ms. Hughes, it was duly voted:

To accept and file correspondence.

APPROVAL NOT REQUIRED PLAN

417 South Street
Decision

Mr. Cullen, the City Engineer for the City of Marlborough, has reviewed the ANR Plan submission dated January 24, 2011 with a revision date of March 24, 2011. He stated that part of the

submission, the were two easement plans were also provided depicting a Utility and Water Easement and a Drain and Access Easement which do not require Planning Board approval; the plans to show that Lot 2A has present adequate access and the lots can be created without conflicts related to current Building Permit approvals for the two buildings originally provided on the site. After his full review, Mr. Cullen stated he was able to provide a favorable recommendation for approval of this ANR Plan.

On a motion by Ms. Hughes, seconded by Mr. Coveney it was duly voted:

SUBDIVISION PROGRESS REPORTS

City Engineer Update

Mr. Cullen provided the following update to the Planning Board:

- Shaughnessey Estates: met with the Bank representative and the contractor, the contractor will be providing a new completion schedule.
- Berlin Farms: lamppost is installed, subdivision almost completed.
- Cider Mill Estates: lamppost erected, not sure if it's operating.

Cider Mill Estates

Bond Reduction Request

Mr. Donald Seaberg of Benchmark Engineering is requesting that the bond for this subdivision be reduced from \$462,000.00 to \$410,000.00. This would reflect a current bond estimated by the City of Marlborough in March of 2010.

On a motion by Ms. Hughes, seconded by Mr. Coveney it was duly voted:

To accept and refer the bond reduction request to the City Engineer for his review; to ask the City Collector if all taxes are current and to ask the City Code Enforcement Office if the subdivision is free from blight.

West Ridge Estates

Bond Reduction Request

Mr. Donald Seaberg of Benchmark Engineering is requesting that the bond for this subdivision be reduced from \$216,000.00 to reflect this current status of this project.

On a motion by Mr. Coveney, seconded by Mr. Hodge, it was duly voted:

To accept and refer the bond reduction request to the City Engineer for his review; to ask the City Collector if all taxes are current and to ask the City Code Enforcement Office if the subdivision is free from blight.

Metrowest Regional Compact

Bruce Leish

495/Metrowest Development Compact

Mr. Leish spoke to the Board about the importance of the 495/Metrowest Development Study. His group is putting together a study for those towns and cities that would benefit from having collaborative or shared strategies for priority developments and land preservation within the neighboring communities.

He provided a brief description and a priority development base map, which included the some of the following sites: Hillside School, Fort Meadow Watershed, Fossile/Johnson parcels, McGee Farm and the 290/495 Interchange. He expects this study to be finished by the end of this year.

Location: Marlborough Senior Center, 250 Main St., Marlborough, MA

PRESENT:

Sheila Brecken; Jennifer Claro; Jim Confrey; Rita Connors; Brenda Costa; Marie Elwood; Dorothy Hodgson; Paulina Lynch

EXCUSED:

Rita Gardiner

MEETING MINUTES:

I. The meeting was called to order at 8:30 a.m..

II. The March meeting minutes were reviewed and approved by the board.

III. Director's report

Jennifer and several board members attended the State's COA training, and found it informative and motivating, as always.

Transportation was discussed. The need for a Marlborough COA vehicle for its seniors would be desirable. A committee was designated to help Jennifer gather information as to how surrounding towns acquired their own COA vehicle.

Jennifer has continued discussions with the Mayor regarding the Senior of the Year event. As of yet, the date has not been determined. The board voted on the 2011 nomination for Senior of the Year, 5 votes in favor and 1 dissenting vote.

The Spring luncheon at the Center was a huge success.

The issue regarding age and program participation was raised again. Jennifer is going to check with the City's legal department on their former decision regarding this matter.

IV. Board Updates

a. Dottie Hodgson reported that the Friends membership stands at 468.

b. Brenda Costa reported on BayPath's current initiatives.

V. Old Business

Upcoming board reappointments and terms were discussed. Rita Gardiner, due to personal responsibilities, is unable to continue and regrettably is not seeking reappointment. Three new candidates were nominated by the board.

The April newsletter was a huge improvement. Thank you Jennifer for all your hard work. We are still under contract with the current vendor. Jennifer is looking at two possible printers, for when the current contract is up.

Jennifer is continuing to update the COA's website. The designer of the Coates program will be coming to the center to train staff before July 1st.

VI. New Business

It was decided that a committee to review and make recommendations to update the board's bylaws and the COA's mission statement, will be formed after board elections in June.

The Garden Project is currently on hold. The Garden Club does not currently have the project on their agenda.

VII. Adjournment was called at 9:30 a.m..
