

Agenda

AQUACULTURE ADHOC COMMITTEE

October 20, 2010

Call meeting to Order

1. Welcome all members and Guests. Introduce all Guests. Pass out an attendance list for signing.
2. Review last Meeting Notes. Discuss if pertinent. Accept for the record. (by motion and vote)
3. Distribute copies of TOWN OF MATTAPOISETT SHELLFISH MANAGEMENT PROGRAM to each member. Go through and hand annotate some changes dictated by more recent State Laws.
4. Everyone should have read through MGL 130, especially §57 through §69 and highlighted sentences you have questions about or would like to discuss. Discuss MGL 130 §57 through §69.
5. If Harbormaster is present, a short report from him. Would it be a good idea to encompass aquaculture into the Waterfront Master Plan?
6. If Shellfish Warden is present, a short report from her. Should the Shellfish Management Program be revised to include Granted Aquaculture projects?
7. Open discussions – John Hinman – other town feelings in Aquaculture. Mark Whalen – Talks with Harbormaster re; Waterfront Master Plan.
8. Discuss plans for the next meeting agenda, November 3, 2010.

Meeting to end approx. 7:30 pm.

Interesting (must) reading for all

- Massachusetts Office of COASTAL ZONE MANAGEMENT "Public Rights along the Shoreline".
- Massachusetts Office of COASTAL ZONE MANAGEMENT "Massachusetts Aquaculture White Paper-Shellfish Bottom and Off-Bottom Culture".
- Massachusetts Aquaculture White Paper – "Legal and Regulatory Issues".
