Minutes not available. Special meeting.

Meeting called to discuss the proposal to have an all alcohol beverage license for the Mansion.

John started the discussion by referring to communications received from Willowdale Estate in Topsfield, Massachusetts. He provided a copy of an e-mail received from the Director of Sales and Marketing. It explained the Estate's effect from having a liquor license.

Members asked questions of John and David Masiello, the Town Manager, and they tried to answer those questions. Task Force members were trying to get a handle on the advantages and disadvantages of us holding the license. There were several different types of services that were mentioned that could provide liquor for Mansion events. There was some discussion on the current method used, namely the one day liquor license. No final decision was made about the license issue. However it was felt that tonight's discussion was a good starting point. There was some discussion on what to do next. The idea is first to see what local vendors can provide and at what cost they will charge.

Motion was made to adjourn by Jeff Dore at 7:32 PM. Seconded by Jen Atteridge. So voted

Respectfully submitted, Jeffrey Dore-Clerk
