Sandy called meeting to order at 6:11 PM

Minutes of June 4 meeting were available to read. Motion was made to accept as amended.

Roger Desrosier was present to clarify some information that he felt was misinterpreted. He tried to act as mediator to make sure all groups of townspeople were represented in the planning and organizing the Bicentennial Birthday party. He felt that this was needed to prevent hard feelings.

Director's report for July:

1. Catherine passed on to the Task Force a request by a renter to allow spraying for mosquitoes for an evening event. This information will be sent to Town Manager for approval.
2. Due to problems with kitchen sink garbage disposal, it was decided to replace it. The custodian believes he can replace it himself. He also will look at repairing the kitchen sink faucet. Catherine will keep us updated.
3. Catherine asked it would be possible to attach necessary hardware to building to facilitate attaching tent canopy to Mansion.
4. A. Jeff will repair the Rose Room chandelier.
B. Rose Room mirror fell and broke. A picture will be hung in its place, until something else can be purchased.
C. Some of the external shutters need to be repaired.
5. An incident occurred at a recent event, where its owner allowed a dog roam the Mansion. An update to Mansion policy should be made to assist the Facilitators.
6. The irrigation system needs to be shut off for a band concert on the West Lawn.
7. Donation canister was removed from building sometime during an event in June. It has not been found.
8. Bunting needs to be taken down and stored.

Friends:

1. Carol reminded everyone of the Baseball Lyceum on August 15th.
2. Carol asked for input on attaching and "Armory Village" sign on the garage. All agreed.

Old Business-

1. No info on sound system quote. Jeff will obtain an estimate.
2. Dennis Hill went over and updated us on the project list. He also discussed his presentation made to the Bicentennial Legacy Committee on June 24th, about using the "old town hall gates" as part of the Committee's legacy item.

Motion was made to adjourn at 8:48 PM by Dennis Hill. Seconded by Linda Pothier. So voted.

Respectfully submitted, Jeffrey Dore- Clerk
