Cronin Brook—There is not much going on there with only one unit under construction. The question arose as to what to do with \$582.50 being held in escrow and put there by the previous owner. Should the money be turned over to the bankruptcy court to be handled by them? The chair was to check with the finance director for his input. A motion was made by Thomas Brown and seconded by Leonard Mort to waive the application fee for this year since there is no activity going on, unanimous. ✓

Secretary—Kyle Niemiec was interviewed and notified of the duties expected of him. He was recommended by Donna Saucier from the high school and approved by the Town Manager. A Dell computer was given to him for Earth Board business; agendas, minutes, get on line and updates, etc. On a motion by Thomas Brown, seconded by Leonard Mort, it was unanimously voted to have Kyle come on as secretary.

Murgo Trucking—A site visit was made by A. Peloquin and L. Mort who stated there was much going on with processing on site. It looks like the material will be moved eventually.
