

TOWN CLERK  
12 FEB 24 PM 3:17  
MILLBURY, MA

**Minutes**  
**Energy Advisory Committee**  
**Date: 11 August 2011**

Present: Sharon Anderson, Rick Bedard, Bob Blackman,  
Laurie Connors

Absent: Jim Dunn, Rob McNeil, Brad Turner

Call to Order: 8:45 AM

Acceptance of Past Minutes: July 12 pending.

This meeting was an exclusive work-session to tie up all loose ends for the *Green Communities Grant Application* so that it could be submitted on Friday 12 August. Things considered were:

- What information still needs to be plugged into which worksheets
- How much money can be requested (\$100,360 is already spoken for, \$67,000 remains to be spent)
- What still needs to be researched
- What information still needs to be provided

In addition, an Order of Projects (prioritization) will begin on 1 September 2012 with said projects being placed into quarters of the year. Another consideration was when do people get paid for their services (i.e. how long before the grant money comes in?)

Rick motioned that tomorrow we submit the *Green Communities Application* discussed today. Bob seconded. Unanimous vote.

Reports:

- The Met Tower will be going up (again) on either the 16<sup>th</sup> or the 17<sup>th</sup> of August.
- Laurie reported that Rob McNeil, Joyce Ostrowski, and she had completed the *Green Initiative* of placing four *Paper Retriever* dumpsters throughout the town. Two will be at the transfer station, one will be at the Town Hall, and one will be at the library. These dumpsters will generate revenue for the Town.

New Business:

- Bob motioned that all future Energy Advisory Committee meetings be held on the second Friday of each month. Rick seconded. Unanimous vote.
- Perhaps a Solar farms zoning by-law should soon be put into place as a certain property is already being considered for this.

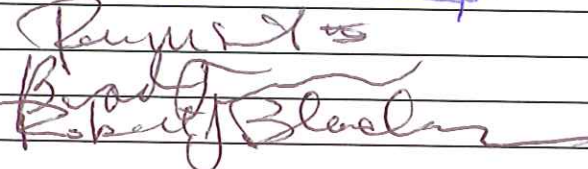

Adjournment: Rick motioned to adjourn at 9:45 AM. Bob seconded. Unanimous vote.

Next Meeting: Friday 9 September @ 8:30 AM

Respectfully submitted,

Sharon Anderson
