Michael O'Connor: I have given you a couple of handouts in case you didn't print them off. One is the communication that was sent to the Board of Selectmen and the School Committee about the joint meeting. The other is an e-mail from the Superintendent of Schools. I received calls from the Superintendent and the Chairman of the School Committee about what the joint meeting will be about. The Board of Selectmen will be there along with the School Committee and the Superintendent.

**Michael O'Connor handed out finalized copies of the 5-year plan that will be discuss tonight and next week at the joint meeting.**

Michael O'Connor: The purpose of next week's meeting is to leave with the expectation that the School Committee, Superintendent, Town Manager and the Board of Selectmen will get together and agree on a split. We are also meeting so that everyone is on the same page as far as the budget goes. This analysis shows where the pressures have been over the last 5 years in the budget.

**Michael O'Connor went over the 5-year analysis**

Motioned by Kupcinkas, seconded by Gauthier to adjourn at 8:20 p.m. Unanimous.
