7:00 p.m. Call to Order to Open Meeting at 7:00 p.m.
Pledge of Allegiance

20th Sept

7:05 p.m. Citizens Speak:
Matt Ashmankas spoke about the possibility of using the waterfront land on the westerly side of Brierley's Pond for a public beach. This is the land directly across the Pond from the present parking and fishing area on West Main Street. A parking area for said public beach could be in the present parking area controlled by the Conservation Commission on Old Common Road. But the ownership and repair of the dam at the corner of Beach and West Main Streets would also have to be determined first.

7:45 p.m. MPLC Members approved the language of the ballot question asking the citizens if they wanted a public beach in Millbury, and a warrant article asking the citizens to approve the potential location of a public beach on Brierley's Pond.

7:50 p.m. Update on Ramshorn Dam Project: the dam is working well and the pond has refilled.

8:00 p.m. The Members discussed the present membership on the Commission, and the possibility of recruiting new members

8:05 p.m. Adjournment
