

Millbury Ponds and Lakes Commission
Meeting Minutes
August 4, 2016

A Meeting of the Millbury Ponds and Lakes Commission was held on Thursday, August 4, 2016 at 5:30 p.m. at the Brierly Pond's Public Parking area across from "Live Flea or Buy" in Millbury, MA.

Member Terry Burke Dotson presided.

Members present: Terry Burke Dotson, Bruce Hjort, and Matthew Haddad

Citizens present: Barbara Carriere, Linda LaChance, and Kelvin Howard

5:30 p.m. Walk-around

Members Terry Burke Dotson, Bruce Hjort, and Matthew Haddad, met with interested citizens Barbara Carriere, Linda LaChance, and Kelvin Howard to walk the Town-owned land behind S & D Mills, along West Main Street, and the privately owned land on Beach St.

They found and observed the 2 dams. One was adjacent to West Main Street, and went under the road and along the side of the factory building and emptied into the overflow pond across the street. The other dam was behind private property on Beach St., with a sleuthway along this private property on Beach St. that entered a large pipe under West Main Street and emptied into the overflow pond across the street.

Mr. Howard is the property owner on Beach Street where one of the dams, the wooden dam and sleuthway abut his property. He does not own the dam. And he does not know who does own the dam. He did explain that sometimes he does have flooding problems on his property when the earthen dam between him and the lake becomes too wet in the Springtime.

7:00 p.m. Adjournment

Respectfully submitted:

Barbara Carriere (Member/Secretary/Clerk)

Attest: 

Chairman, Terry Burke Dotson

Vice Chairman, Bruce Hjort

Member, Matthew Haddad

Member, Ken Schold
