**Review of the May 5, 2015 Annual Town Meeting Warrant**

Mr. Bedard reviewed the May 5, 2015 Annual Town Meeting Warrant including the following warrant articles:

**Article 5: Medicaid Reimbursement Article**

Ms. Nietupski noted the amount listed for reimbursement is \$93,036 and \$96,036 and she had a different amount. Mr. Bedard stated the amount should be \$93,027. That is the amount the School Committee voted. Mr. Plante discussed with town officials and it was determined they were going to leave the amount at \$93,036, which is \$9.00 more than we requested.

**Article 15: School Parking Fees Revolving Account**

This is the renewal, under Ch. 44, section 53 E½, to maintain this school department revolving account.

**Article 33: Municipal Aggregate**

Mr. Bedard said that although it is not a School Committee warrant article it comes under the purview of the Energy Advisory Committee. The warrant article gives the community authorization to procure more favorable electric rates for all homeowners.

**Page 22 for Article 4: Public Education**

Mr. Bedard reviewed the School Operating Budget amounts. This will be voted on town floor as one amount so that it will not require town meeting transfers between accounts at a later time.

**Page 27 for Article 4: Employee Benefits**

Mr. Bedard reviewed the Employee Benefits sections which has some costs allocated to the school department. These costs are not directly charged to the school budget but are reflected in the Indirect Cost Agreement on the DESE end of year report.
