Ken into address the commissioners on Behalf of the Samara's building hooking into the Millbury Sewer, Ken advised Mr. Samara is having it pumped monthly and that he is also asking Worcester to hook into the sewer in Worcester but the line stops at the building prior to his. It would be easier to hook into Millbury via Ward Ave. The Commissioners stated that since Samara's does not pay taxes in Millbury they were unable to allow him to connect to the Millbury Sewerage and that there is no inter municipal agreement between Worcester and Millbury.
