New Sewer Commissioner: Welcome the New Sewer Commissioner Jeff Murawski to the board

Flow Data: Rob discussed the monthly flow data

Finances:

Invoices were signed

Update on budget is right on track

Creation of new sewer accounts is still being worked on.

Abatements:

20 Woodridge, pool deduction, denied at this time

Anna Lewandowski into meeting to further discuss the abatement and issue at her residence at 5 Howe Lane with the street level part of her home hooked to town sewer and her finished basement is still on cesspool. She requested an abatement at a previous meeting and the Commissioners agreed on an abatement of \$390.00 due to the toilet in the basement was stuck running for some time), Anna was at the meeting for appeal the discussion of the \$390.00 abatement, her sewer bill is \$1,171.62, when her bills are usually anywhere from \$80.00 to \$225.00(yearly). Anna left the meeting and further discussion was held, Commissioner decided to ok abatement for \$900.62 which will make her bill \$271.62 which is more feasibly with past history. Gary stepped down to make a motion to accept abatement for \$900.62, 2nd by Happy, all in favor.

Regarding abatements need to look further into the process and paperwork that is filled out for abatements. Residence should be put into letter format and what the reason is for abatement and also need backup paper with the reason. Further discussion will be at a later meeting.
