MILLBURY, MASS.

**July 17, 2012**

**Present:** Sewer Commissioners: Gary Nelson, Frank Gagliardi, Happy Erickson  
DPW Director Robert McNeil, Secretary: Cindy Allard

The meeting called to order at 6:00 pm

**Grafton Street Pumping Station**

Fed Corp is still in charge of pump station until it is signed over to the Town, had an issue with alarm system, our sewer personal was called in, the calls need to be made to Fed Corp not our Sewer Personal, Marie Cannon from AECOM was informed of same and will handle. AECOM will back bill for the time of the sewer personal from Fed Corp.

Substantial completion should have been 7/10/12, still waiting for grading, asphalt, final clean up and fence. Issue with screen not color that was requested, generator was finished in white, came out really nice, due to issue with fence and generator color. We ok'd to keep the white casing for the generator and that they would pay for the inserts for the fence, should be finished next week.

**Abatements none**
