

Youth Group Meeting

June 26, 2013

The board members that were present: Tim

RECEIVED
TOWN CLERK
13 OCT -4 PM 1:27
MILLBURY, MASS.

- ** We talked about walking over to the Mc Grath building and announcing the opening of the new youth center with Josh Farnsworth from the Millbury Sutton Chronicle. (Josh wasn't able to make it but we still walked over with the kids)
- ** We also talked about the Grand opening not happening until school starts back up so that we can get as many kids notified as possible.
- ** The kids responded well the the summer kick off and they would like more events with people like Jose Riveria in attendance.
- ** We are looking for donations of games, money, etc. to get the center going.
- ** A sign will be made to put in the lawn that says: Millbury Youth Group Center! (about the same size as the one we made up for Monopoly night) * I have to check with Tim on the size we got approved for
- ** We decided that we would go to the selectman's meeting on July 9, 2013 and announce to the board and the community that we officially have a place to call the youth center.
- ** The kids are more than welcome to make their own T-Shirts but the committee can not pay for them as we do not have the funding.
- ** Once the center is open we can decide what is going to be done and how we will do it. We can think of ways to raise money and be able to have our own account.
- ** When we have dances we will talk about charging a few dollars a head once the group gets bigger. We also discussed having Peter Boll DJ the dances as he does at the schools and hopefully with him doing so we can get more interaction and participation with other kids here in Millbury.

Meeting ended at: 7:30
