- ** Pack 109 and The youth committee Bike Safety/ Celebrity Softball game. We need at least 20 players age 16 and up. Game Starts @ 11 we have to be there at 9 to help set up.
- ** We need waters, drinks and possibly Benny with the ice cream truck. This will not be a fund raiser the waters will be free and Benny will charge for the ice cream. Tim will talk to Gary at Goretti's to get water and ice donations.
- ** We need to advertise around town and on facebook about the event!
- ** Tim will ask the fire fighters for help and or to play in the softball game on the 10th.
- ** Carrie asked Jake the only kid present what would make more kids come to the meetings? His reply was more reminders.
- ** At the Aug. 7th meeting Matt will get his choice to be an alternate on the committee
- ** It was said that earlier reminders about the meetings would be helpful but our meetings are set for the 1st and 4th Wed of every month.
- ** Tim called and talked to Benny over the phone at the meeting and it is confirmed that Benny will have an ice cream truck at the Shaw School for the Aug 10th event.
- ** Youth Center is set to open mid to late Sept. getting Peter Boll to DJ and get the kids in. We are still looking for all kinds of donations.
- ** Carrie does not want the Facebook page for the group closed, Jen is going to be asked how the page is set up and change it if it is private, kids do not like the closed groups and waiting for someone to approve them. Carrie also wants Nikki involved with the Facebook page because she is younger and knows what the kids are looking for.
- ** Once the center is open we are going to need full on help from the adults, we will also need parents involvement.
- ** Carrie will get Nikki to do the website asap before she leaves the end of August.
- ** We also need to make sure the Shaw school is approved for the event on the 10th as Tim has not gotten a letter one way or the other.
- ** For the August 7th meeting it is just going to be the adults and not both adults and kids as Tim originally stated a few meetings ago.
- ** The board is going to be looked at to make sure everyone on the board still wants to be involved.
