

Youth Commission Meeting

Meeting Minutes

December 4, 2013

In attendance: Tim Cluett, Matt Brodeur, Jen Nielsen, Ben Menaham

Absent: Carrie Prest, John Piscelli, Cliff Davis

- We talked about the grant we got from the Greater Worcester Community Foundation
- Talked about Wendy Palermo joining the commission as an alternate
 - John and Matt need to get sworn in
- Talked about what we need to do if you are going to step down. Need to go to the town hall to fill out the appropriate paperwork with Jayne at the Town Hall.
- Members of the commission should be at the center Friday nights to help out and volunteer. Don't have to be there the whole time but show up and help out when you can.
- The Brainy Bunch from the Millbury Destination Imagination came and did a presentation for us. They want to help us get the supplies we need for the center. They are willing to raise money for sports equipment, art supplies, a television, movies, even snacks. They are doing this as a group project to help out the community. We discussed having a dance for Destination Imagination to raise money. Thought about a Valentine's Dance or Parent Dance. The kids need to present and show what they have done to reach their goals in March.
- We need to be aware of our meetings schedule. We need 4 committee members to vote (not for the kids meetings)
- We may need to go back to having meetings at the Town Hall. Meetings are going to be recorded and presented on the Millbury channel on t.v.
- We voted on having 3rd graders become part of the Youth center: we voted yes to allow it. Have seen quite a response from the families and kids at the center.
- We need to try and encourage parents to come and volunteer. Don't want to have to say no to the kids but we really need to drum up the parent support as much as we can.
- Play games with the kids, interact with them. Have been able to play basketball in the gym as long as there is an extra adult to be able to
