Jean Moroski
Assessor's Office
Town of Millbury
Millbury MA 01527

Dear Jean:

Attached are the forms seeking abatements on the personal property bill issued to

Dawn Fuller Bei Capello 32 Hemlock Drive Millbury, MA 01527 for Fiscal 2010, 2011, 2012 and 2013.

We have exhausted all mean of collections. She refuses to pay. She has more bills from 2014 through 2016 that we may have to pursue in small claims court.

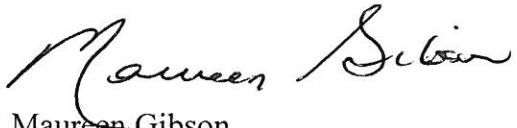

These bills cannot be included as they were issued erroneously by the previous Assessor. They were assessed, mailed, and based on her business at her previous location. This information should have all been updated. Since these bills do not contain the correct information, we could not take them to small claims court.

Her business does NOT need any licenses or permits from the Town of Millbury to operate. She is not a D/B/A so does not need a license to operate from the Town of Millbury. The selectman's office has nothing they need to sign off on and the Board of Health does not require her to have a license from them.

The auditors have questioned keeping these years on the books for such a small balance.

Since there is no other means of collections for these bills, we are asking for an abatement so that we can close the books on these years.

Sincerely,

A handwritten signature in cursive script that reads "Maureen Gibson". The signature is written in black ink and is positioned above the printed name.
