The board reviewed and acted on the following

The Board asked that we contact some surrounding communities to see if they have seen an increase in exemption requests (i.e veterans, hardships, etc...).

The Board discussed the Telecom appeals, and the possibility of inquiring as to what some of them were looking for with regards to the value, to see if there was a possibility of coming to an agreement.

The only mail was from CMRPC regarding the annual assessment for next year, FY2013.

The meeting adjourned at 6:45 p.m.
