New Business:

One bid was received on the dog park. Landscape, etc is the company that will be completing the work. The bid was \$48,000 over budget and the dog park committee has cut any expenses not imperative to the project so that it can be completed. At this time, there will be no pavilion, solar entry system, or benches. The project is supposed to begin on 9/15/14 and be completed by 10/15/14.

Fall clean up will be done on 11/8/14 from 8am to 12pm. Victor will write up for The Chronicle and local cable channel.

Estimates for the tree work needed to be done are \$700 for tree behind garage; \$1400 for the dead tree at the bottom of the driveway; \$1300 for the tree behind the house. Committee decided that the tree behind the garage was priority. It will be cut and stump to remain for possible bee hive returning. Brad made motion; Phil 2nd.

6:40pm motion to adjourn by Fran; 2nd Karen.
