

Butler Farm Re-Use Committee
Meeting Minutes
10/11/2017

Attending: Victor Irr, Fran King, Karen Bott, Mary Krumsiek, Phil Miles, Kathleen Brosnihan

6:10pm - Meeting called to order.

Account balance = \$5000 less the two bills totaling approximately \$100 that have not been applied to our account yet.

Mary motioned; Karen 2nd to approve meeting minutes from 9/20/17.

Ernie Bernard requested an amount of \$250 and was approved last meeting. Victor told Ernie that he would need to contact the committee for approval of purchases.

Mary motioned; Fran 2nd to approve a \$100 gift card to Longhorn's to thank Vin Andresano for tilling the garden.

Fran explained some of the work Steve Piscatelli did while replacing the door. There were some wires that needed securing which he covered with nuts and put in a box in the ceiling. He estimated that the additional work needed on the front of the house would be around \$4000. The window is rotting from leaking water and the front of the house needs siding or shingles replaced.

The belt on the lawn mower is broken and needs to be replaced.

The garden needs to be cleaned out. Karen will email gardeners and remind them to have everything out by the first weekend in November. The beehives are doing well and the bees should have enough honey for the winter.

Mary has someone to install the memorial stone in front of the flag pole.

Kathleen Brosnihan is interested in joining the committee. We are in need of one more member. The Town Manager will be notified.

Mary motioned, Fran 2nd to adjourn meeting at 640pm.
