MILBURY MASS

Attending: Victor Irr, Fran King, Karen Bott, Phil Miles

6:10pm Meeting called to order.

Account balance is \$4,200.00

Community Garden – We have 10 returning gardeners and 8 new as of today.

Fran King is going to look into purchasing a tiller for the garden.

Ethan will continue to mow this season.

A motion was made to split the cost of a dumpster with the Dog Park committee. The Re-use committee determined it was not something we needed at this time. Karen Bott did not want the dumpster located near the community garden and it would be of no use to us in the upper meadow. Fran motioned; Phil 2<sup>nd</sup>.

Bill Berthiaume will be invited to attend the Butler Farm Re-use Meetings. We currently do not have any openings and he can attend as an alternate.

New projects this season may include painting the house, checking the ceiling in the entryway, clean up day in early June, and pricing a gazebo cement pad for picnic area.

Motion to adjourn 6:26pm by Fran; Phil 2<sup>nd</sup>.
