Meeting Minutes;

The minutes for the December 13, 2018 meeting were read and accepted as read, with two corrections in spelling. Motion by Tom to accept and second by Kent. All members voted unanimously.

Downtown Infrastructure:

Mike was very disappointed to report to us that the application for the \$250,000.00 from the Mass Office on Disability for the revitalization of the downtown intersection was not successful. This money was to be used to finance sidewalk and curb cut improvements in the downtown area.

The Town Planner is now hoping to use the \$400,000.00 from the Complete Streets Construction grant for this purpose.

Disability Commission Bi-Laws:

The letter to one of our members has been composed and mailed. We now have to wait for a response so the commission can go forward.

Mike did place an ad in the Millbury-Sutton Chronicle that will be in the upcoming issue. It is an add looking for two new members. If needed we will also place this add in the free issues distributed town wide on May 2 and October 24.

Our Town Manager, David Marciello, briefly stopped into our meeting to give us an update. He explained that seeing that the town did not get the ADA grant, the town is redoing the scope on that, but the ramps near the Post Office hopefully will be added to the paving plan for the summer.

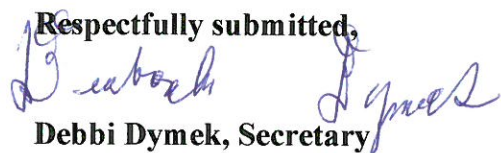

While we are waiting for the downtown construction to take place, Mike brought up the fact that maybe some items from the Millbury ADA Transition plan can be brought up, and a list compiled for projects to be worked on.

Debbi asked Kent to check with our financial department about the fines from the handicap violations that are to be put into a special account for disability repairs. Kent said that he would check into it.

Tom made a motion to adjourn the meeting. Debbi second the motion. Meeting was adjourned.

Next meeting will be held on February 14, 2019

Respectfully submitted,

Debbi Dymek, Secretary

 - Treasurer
Vic Channon

Mike Bennett - Chair
