Meeting Minutes;

The minutes for the October 11, 2018 meeting were read and accepted as read. Motion by Jim to accept and second by Kent. All members voted unanimously.

Disability Commission Bi-Laws:

We are inviting the Town Clerk, Jayne Davolio, to our meeting in December to explain the rules for membership and the amount of members we are to have at our meetings. We would like her to clarify if we have to go by the Town Charters rules or go by the Disability Commission rules, and when we can change the amount of members we have in the commission.

Debbi brought up the fact that she called the Millbury-Sutton Chronicle and inquired about setting up an ad explaining that the Disability Commission is looking for new members. We gave Mike the permission to go ahead and contact the Chronicle and write up the ad.

The motion was made by Debbi for Mike to go ahead with this and Kent second the motion. All voted unanimously.

Kent brought up the fact that he has not heard anything about the income from the handicap parking violations. He will now approach the Finance Director in Town Hall and find out what is the situation. He will report back to us at the next meeting.

**Downtown Infrastructure:
Announcements:**

Mike made the announcement that there will be a public meeting on November 14 at Asa Waters Mansion to discuss the preliminary designs for the downtown revitalization project. This takes in all improvements to the Elm St. and Main St. area. Public is welcome to attend for their feedback.

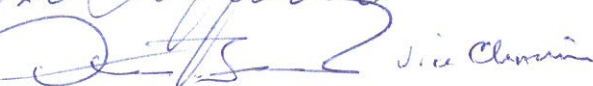

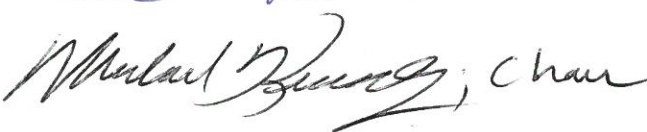

Debbi found an article in the Worcester Telegram about dances that take place at a couple of different places for the physical and mentally challenged young adults. These are great activities for our young people to have fun.

Debbi made a motion to adjourn the meeting. Kent second the motion. Meeting was adjourned.

Next meeting will be held on December 13, 2018

Respectfully submitted,

Debbi Dymek, Secretary

 Vice Chairman
 Michael Young, Chair
