**Meeting Minutes;**

The minutes for the November 12 meeting were read and accepted as read. Motion by Tom to accept and second by Kent. All members voted unanimously.

**Asa Waters Bandstand Project;**

The issue on the Asa Waters Bandstand is basically the only issue on our agenda for today. It is to report, by Mike, the results of the hearing that took place in Boston with the AAB and the Town Manager.

At the hearing in Boston was Mike Kennedy, representing the Commission on Disability of Millbury, Town Manager, Bob Spain and Dennis Hill for the Asa Waters Task Force. The decision was that the town was granted a time variance to September 1, 2016 to construct a ramp and a walkway to the bandstand. We need an accessible ramp with an accessible walkway according to the AAB laws.

The AAB board did make it clear that even if this request fails in Town Meeting, the town is still responsible to construct this accessible ramp and walkway by September 1 2016 or they are subject to fines for every day until completion.

Mike requested that when this is being discussed and planned that the Disability Commission be involved in the planning. Mike also emphasized that there is to be no brick walkways involved in the path of travel.

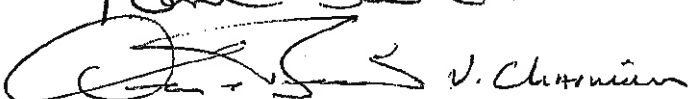

The commission also voted unanimously with a motion from Tom and second by Cheryl to grant Mike a reimbursement for the trip to Boston.

The meeting was adjourned with Holiday Wishes given to all.

**Next meeting will be held on February 11, 2016**

Respectfully submitted,  
  
Debbi Dymek  
Secretary
