MILLBURY, MASS

Then I remember saw the  
historical society has the  
technology to show a  
video down stairs at the  
Case Water museum.  
Would like to see video on cable  
Everyone agreed the library  
would be a better choice  
for a historical museum  
location.

Historical society is  
grandfathered in on the  
second floor of the museum?

Task force will have  
their own video of Case  
Water museum along with  
a narrative. They will use  
lock room that has map
