### **Meeting Minutes;**

The minutes for the March 10 meeting were read and accepted as read. Motion by Tom to accept and second by Nancy. All members voted unanimously.

### **Downtown Infrastructure:**

Rob McNeil was not able to attend our meeting.  
Mike sent Mr. McNeil an updated list of curb cuts.  
We want to get an update from Mr. McNeil of what projects he is planning for this construction season and what the timeline is for the completion of these projects.  
We believe that he will be attending our next meeting in May

### **Asa Waters Bandstand Project:**

This project has a quote of \$50,000.00 in the town warrant.  
The commission has to wait for the Town Meeting to see if Article 6, in the town warrant passes or fails.  
The commission would still like to be educated by the town manager on how they ever came up with the \$50,000.00 figure.  
The commission would also like to see some blueprints for this project.

The commission would like to welcome our new member, Renee Earnest.  
It is always great to get different views and ideas from our new members  
Renee mentioned, when she was handed all her appropriate information after being sworn in, she noticed that the Millbury Disability Commission was not listed in the Department contact list.
