MILLBURY MASS

Millbury Commission on Disability

Date: May 9, 2013

Time: 6PM

Present: Mike Kennedy; Chair, Heather Graziano, Kent Stowe; Treasurer, Debbie Dymek and Jim Clifford

Guests: None

Minutes: No minutes to vote on.

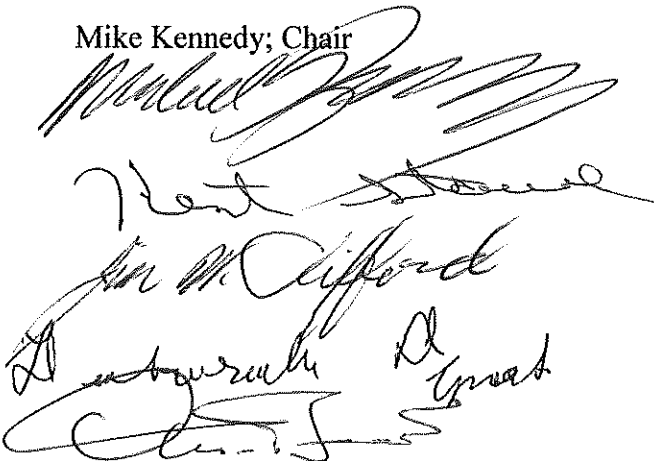

Asa Waters Mansion: Commission members attended an event at the mansion and they were showing a DVD on a laptop that ran out of power and therefore the display was over. It begged the question of what happened to the TV and DVD the Historical Commission was supposed to get. Kent will follow up with the Historical Society on this and report back to the Commission.

Down Town Infrastructure: Construction season is beginning and Commission members want to see some curb cut and or sidewalk improvements done this year. Curb cuts and sidewalks that need to be addressed were identified previously by Commission members. Mike will follow up with Rob McNeil and get an update from him.

Next Meeting: The next meeting date has been scheduled for Thursday June 13, 2013.

Respectfully submitted,
