Health Agent Report:

Julie V. addressed the Board regarding Al Efthymiadis, operating a food establishment without a permit. She issued a cease and desist upon inspection. Al explained to the board he had moved food from his previous establishment to the new store. When in Worcester, the board gave leeway while waiting for Common Victualler License. Ron questioned his opening the end of July, signage stating "come in". Al apologized to the Board, he was wrong and will only do things the right way. Jim stated he does need his permits first, will move forward after inspections and wished him luck. Ron and Armand agreed.

Red Robin – Julie V. is concerned regarding the flies which appear to be from the drains. Pest control called, Armand stated follow up as required.

251 Riverlin – Julie V. made another site visit. Walked through, everything the same, no more roosters have expired. Noise was not loud. Owner does not plan on reducing the number of roosters, however, she does not plan to get any more. Armand asked regarding complaints, Julie V. stating there have been none. Jim stated with no more complaints, leave file open, farm may need monitoring.

Julie V. had two mold complaints, sent violation orders on both. Cordis Mills sent in a mold removal company. On Route #146, landlord had an asbestos and mold company treat the property. Both are working with Julie.

Armand asked on an asbestos complaint at the school. Julie did not accept the asbestos companies report because it referenced an apartment. Armand asked Julie if she was aware at Shaw School they have an asbestos sign on the door near the cafeteria. Julie know's nothing about it, Armand asked that she look into it.

Pizza Chef, Julie V. found water dripping from a down spout, does not know where it is coming from. Ron will take a ride over stating it may be coming from apartments upstairs. There is no grease or unknown substance.

Seth Peters presented the board with a copy of the Gaming Establishment Environmental Survey Report. Armand stated he responded to Town Planner the board had no opinion at this time.

Julie V. responded to Town Planner she had no comment, no concern at this time.

West Nile Virus tested positive in the West quadrant, the spraying will be done Tuesday, 8/27/13. Seth asked approval from the Board for media release, which the Board agreed. The map will be posted to town website.

Seth also updated the Board stating September is National Preparedness Month, the CMRPHA Strategic Plan and a new food inspection tracking mechanism.

Julie V. recommended low risk establishments be inspected once per year, high risk be inspected three times per year. Armand made a motion to accept the 1999 FDA Food Code and 105 CMR, Annex 4 section 2C, Table 1 and 590.013(A) of the State Sanitary Code, Chapter X – MINIMUM SANITATION STANDARDS FOR FOOD ESTABLISHMENTS. Ron seconded. Vote unanimous.

Seth proceeded with an update from Karyn Johnson on MOAPC grant, developing the wellness committee, Millbury Public Schools health survey, National Prescription Take Back Day and the tobacco collaborative.

Old Business:

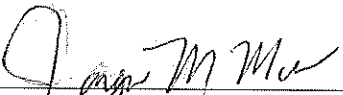

Rob McNeil opened discussion regarding clothing donation receptacles. He would like feedback from other towns to see how it has worked. Board discussion included owners contact info on the box, possible permits or sticker, cost, fines, etc. Armand would like the sample regulation re-written for Millbury by the coalition. The board agreed to move forward to have a regulation implemented in the near future.

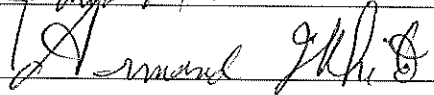

Other Business:

Sgt. Stephen McFaul presented a draft by-law regarding mobile ice cream vendors. A portion of the by-law is a police matter due to criminal background check and fingerprinting. The other portion relates to board of health permitting. The law requires a by-law be submitted to the State Police and the FBI. The result of the Board discussion was to have the coalition council review the sample by-law. Sgt. McFaul will also check with the Chief when he returns from vacation to ask if he has any input.

A motion to adjourn at 8:40 P.M. was made by Ron Marlborough. Seconded by Armand White. Vote unanimous.
