Dirty Girl Disposal/Millbury Rubbish Removal: Ron Marlborough mentioned that he knows Katherine must be concerned in regards to the letter she received from the Board. He further stated that 80% of the complaints he receives are rubbish hauler complaints and 99% are anonymous. Ron further stated that Dirty Girl Disposal is not licensed in the Town of Millbury and asked Katherine why Dirty Girl containers are in Millbury. Armand interjected that he wanted to make a statement, he had made an agreement with Katherine that she would not operate Dirty Girl Disposal in Millbury and they took her at her word. Katherine owns what he calls a “mom and pop” business and Katherine is the only rubbish hauler that ever shows any interest when the board requests input at a public hearing. Armand stated that if other big companies are doing what she is doing he does not understand why she can’t lease her Dirty Girl Containers to Millbury Rubbish as long as the containers are properly marked. Until they can close this loophole they can’t really do anything about it. He further said he is not defending her he is merely stating a fact. Ron agreed but they must be properly marked. Katherine stated that Dirty Girl Disposal leases containers to Millbury Rubbish. She is not doing anything that many other companies are not doing. She said the customers are Millbury

Board of Health Meeting – September 9, 2015

Rubbish customers. She also said that she is not sure of the direction she is taking both companies, Dirty Girl is going National soon. She has a trade mark on the color purple for containers and she only has about 6 Millbury Rubbish containers left. Katherine wants to amend her permit to read Dirty Girl Disposal D/B/A Millbury Rubbish Removal much like Little River Recycling and Pratt Trucking. Allied Waste who got (3) permits forgot to include Express Role off that sits in front of Superior Oil. Judy B. stated that she has not received a complaint in regards to this situation so she is unaware of it until now. Katherine stated that she is most likely being targeted. Judy stated that we do not keep a list of these rubbish complaints. We will call the company and many times they will get a permit and the issue is resolved and filed under that company name. She stated that D'Auteuil Disposal operates under two names. She stated that his containers read Frank Rubbish. Katherine stated that her companies are structured in a particular way for liability reasons and that is common practice. Katherine said she held up to the agreement with Billy Wilkinson and she used magnets until all the magnets broke and fell off. The board agreed that that the trend is to have d/b/a and leasing agreements. Katherine has requested to amend her permit to read Dirty Girl Disposal doing business as Millbury Rubbish. The board agreed that she could do this without the magnets on the containers. Judy B. interjected that based on the wording of their previous agreement with Katherine, they may not be allowed to allow her to use Dirty Girl Containers in Millbury. The Board agreed that they would consult with Bob Spain and consult council.

RESOLUTION:

The board agreed to allow Katherine to operate as a d/b/a. They would first prepare a proper question and run it by legal to make sure that legally they can allow this as they had a court order against Dirty Girl Disposal doing business in Millbury. Katherine can use her Dirty Girl containers while the situation is being resolved. Ron will consult with Bob Spain on consulting council to resolve this situation legally.

D/B/A Business Structure:

Judy B. stated to the board that when a company fills out an application for a Rubbish Hauler permit that it is not our practice to research their company structure. She further stated that she is not sure how a D/B/A is set up and we just permit a bus

Office Updates: Tobacco Permits are due soon and Judy stated that she added to the application to attach a copy of your DOR permit. Judy obtained a DOR License list. Mill Towne Tavern called and never had a DOR License and therefore may not renew. Ron stated that he wants time off requests to go through the Bob Spain's Office.

Health Agent Update: Julie VanArsdalen stated not many complaints have come through this month. She is expecting Dumpling Girl to open soon, she is waiting for them.

Area of Concern: 22 Rhodes Street: Several Apartments with several issues in the common areas. Julie spoke to the property owner and scanned in and emailed the order letter to him that he said he never received and he never signed the green cards.

Board of Health Meeting – September 9, 2015

City of Worcester Update: Phil Leger updated the board stating 2nd round of interviews having taken place for the Director position. The Governor will have a meet and greet at the City Hall. One of his priorities to increase communication and meeting attendance. A quarterly WEBEOC drill was conducted. Judy interjected and asked the board if they wanted Cheryl to represent the Millbury Board of Health for Emergency Preparedness. They board agreed to continue with Cheryl.

Public Health Nurse: Cheryl Rawinski stated that the flu clinic will be on 9-23-15 from 9:00 AM to 11:00 AM. We have purchased 250 doses. Asa Waters clinic not yet scheduled as flu vaccine has been slightly delayed. Cheryl further stated that the state supplied vaccine is only for immigrants and she basically had to order all of the vaccine. Jim Morin asked if the public is aware of this. Cheryl stated that she doubted it. Cheryl asked about the regional planner and stated that we currently do not have one. She would like to have a disability site only and is looking to designate a site and obtain an AED and other equipment for this site and she would need to work with our regional planner once one is assigned.

New Business/Old Business:

Methadone Clinic: Jim Morin asked about this and Julie V. stated she received an email regarding a methadone clinic at 50 Howe Avenue with an expected 200-250 clients a day. She had forwarded this email to Bob Spain. Ron stated that 60 to 70 % of the people that would use this facility are from Millbury.

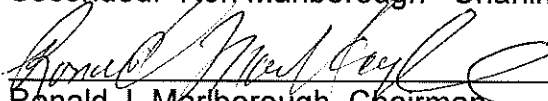

Narcan: Ron Marlborough is very concerned about the up rise in overdoses and wanted to inquire about obtaining Narcan for Police/EMT/Fire and the families of addicts. Julie V. stated that on August 31st, Karyn Clark sent an email regarding a developing story on possible Narcan funding. Phil will look into possible grants.

Next Meeting October 14th: October Meeting to be changed to 6:30 PM

Emergency Preparedness – For October meeting

School Survey – Tentative for October meeting (Ron would like Cheryl to attend this meeting)
