

RECEIVED
TOWN CLERK

14 NOV 13 AM 10:06

MILBURY, MASS

MINUTES

BOARD OF HEALTH

Date: October 08, 2014

PRESENT: Armand White, Ron Marlborough, Jim Morin
Julie VanArsdalen, Health Inspector
Michael Borowiek, Regional Environmental Health Coordinator
Cheryl Rawinski, Regional Public Health Nurse

GUESTS: Daniel Rizika – 18 Manor Road
Don Rudge – Wheelabrator
Peter DiCecco – Wheelabrator

Office Up-dates: Julie M stated first flu clinic held this day, approximately 120 flu shots given. Treeline Construction letter from DEP forwarded to Board. Blackstone Valley Chamber of Commerce hosting a fundraising event 10/23/14 at Felters Mill. They are asking The Board to waive the One Day Catering fee. Jim Morin made a motion to waive fee, Ron Marlborough seconded. Vote unanimous.

Wyman-Gordon submitted their revised 2014 Contingency Plan, copy to the Alliance, Ron Marlborough, Fire Dept., Steve Kosiba and Jim Malley.

A motion to accept minutes from September 10th 2014 meeting was made by Jim Morin, seconded by Ron Marlborough. Vote unanimous.

Vouchers to be signed: Vouchers were signed by those present.

Health Agent Report:

Julie V. gave her inspections report and complaints she has closed. She gave an overview of open violations and orders sent.

She also listed her food inspections.

Wheelabrator complaint – Local hauler complained of wait time to drop load. He thinks floor is not being cleared every night. Stated line of wait back to Route 20. Discussion was held which

included Don Rudge and Pete DiCecco. They explained everyday procedure, adding there had been some delays due to routine maintenance, everything back to normal this weekend.

Mike Borowiel presented himself before The Board, he is the Regional Environmental Health Coordinator for the Alliance and he is replacing Andrea Crete.

Stated Emergency Preparedness Month over, the Alliance has EMS inventory leftover, if anyone wants anything they can contact Amanda Major.

There was a walk through at Millbury Public Schools regarding EDS. There will be an updated plan, at that time a copy will be given to the Board of Health.

From community health side, there is a substance abuse program available to Alliance for any agency; police, schools, etc. as well as parents. Contact person is Cassandra Anderson. Jim stated how Lew (Evangelidis) is reaching out to many with Opioid information and recommended Cassandra get in touch with him. Ron has his contact information if Alliance wants to follow up.

Jim asked if school survey results were in, Julie V. stated they should be out soon.

Cheryl Rawinski commented on the flu clinic today stating approximately 120 to 125 shots given and is looking to have another clinic at the Asa Waters Mansion. Armand will work with Cheryl and Catherine to coordinate date and time. Ron recommended if a third clinic is needed, having it at the Senior Center.

Old Business:

Armand addressed Dan Rizika for his update regarding the outdoor chimney. Ron Marlborough recused himself, being a neighbor. Dan stated he met with his mason and outlined his intention to extend chimney eight (8) feet which will bring the height to about twelve (12) feet above his ground level. He asked if this was acceptable to The Board and Armand and Jim concurred thanking him for his cooperation. The Board asked Dan to call the office at the end of renovation for a re inspection.

Dan addressed his complaint regarding the trash odor from his next door neighbor and had asked them to move their receptacles to the other side of his house. His neighbor refused and Dan stated the odor in the summer was strong, as it is a multi family house and collects a lot of trash.

Julie V. did a site inspection and found no odor, receptacles set back approximately 20' from the road. She spoke with the owner who stated putting the receptacles on the other side of the house would be a big inconvenience to the tenants, especially in the winter. Seeing no violations, she closed the case. Armand asked Julie V. to pursue for a possible resolution.

Treeline Construction – Julie V. did a follow up site visit, had a conversation about the last pile of debris remaining, it was to be picked over, then final paperwork needed to be done.

Armand addressed Don Rudge and Pete DiCecco representing Wheelabrator. Several years back Wheelabrator received permission from the Board of Selectmen to open their daily operations at 5:00 A.M. They never received permission from The Board of Health and that is what they are seeking tonight. After discussion Ron Marlborough made a motion to grant Wheelabrator opening at 5:00 A.M. Monday through Saturday. Jim Morin seconded. Vote unanimous.

Rubbish Haulers:

Ron wants clarification regarding containers in town that are not permitted. Permitted haulers lease containers, the containers themselves are not permitted. After further discussion it was decided the haulers will continue to renew their yearly permits for \$500.00 which will include a sticker for their truck, plus purchase additional stickers at \$25.00 each for every container being used in town. Every container in town will need a sticker or violation ticket will be issued. Septic haulers will now pay \$125.00 per truck.

Recycling – Discussion was held regarding rubbish haulers mandating state regulations for recycling. The Board agreed to send letter to the haulers reminding them according to Mass General Law, they have to recycle.

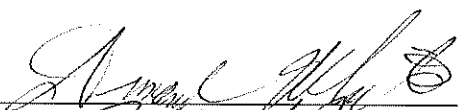

All Business Not Reasonably Anticipated To Be Discussed:

Clothing bin bylaw on hold pending further review by Board.

Julie V. addressed the issue of a particular clothing bin that is being targeted by large items. Armand stated the bylaw (if enacted) would fine the bin owner not the perpetrator. Ron stated it is the closest bin to the Transfer Station and feels people are trying to avoid the fee. Julie V. stated the bin owner keeps the area clean and with one phone call, large items are removed that day. The Board will re-address the problem when they review the proposed bylaw.

A motion to adjourn was made by Jim Morin at 7:45 P.M. Seconded by Ron Marlborough. Vote unanimous.

Armand O. White:

Ronald J. Marlborough:

James M. Morin:
