Call to Order: Ron Marlborough called to order the meeting of the Millbury Board of Health at 3:35 PM on November 5, 2015 in Millbury Town Hall – Board of Health Office.

Naloxone Discussion: Cassandra Andersen, Regional Behavioral Health Programs Coordinator explained that they have many grants and the State has set up a trust fund for obtaining Naloxone at the State rate. Through the State trust fund cities and towns can apply for this reduced rate. Applications/paperwork is not available as of yet. You would get a standing order from a physician. The police department can also apply. The State is issuing grants to first responders and they must be specially trained, as well. You must get on a list. She explained that UMASS emergency medical services may be an easier process than the State. Worcester Police Department is getting it through UMASS. Additionally, State grants are available to support preventative activities. The school nurses are trained by the State on how to administer.

March School Event: Greg Myers mentioned that the school has scheduled an event in March with a guest motivational speaker. Mr. Myers has been working with Senator Moore's office. Cassandra offered to set up a panel with a question and answer session for the event. She would like to bring in "Learn to Cope".

Ron will contact Senator Moore's office and would assist in any way needed. All agreed to have a meeting in December to firm up details on the event.

Regional Youth Survey Discussion: The survey results were discussed along with options moving forward to improve in the areas needed.
