GUESTS: James Malley – Title V Engineer  
Michael Burke, Michael Loin (Bertin Engineering), Kathleen Crew  
(re: 33 Ramshorn Rd.)  
Roger Leland, Heather Trudell, Geraldine Breault, Stephane Berry  
(re: 287 W. Main St.)  
Jennifer Backer – Student Mass College of Pharmacology  
Christina Sciannameo – Student Mass College of Pharmacology

Meeting called to order at 7:02 P.M. by chairman Armand White.

Minutes: A motion to accept the minutes for the September 12<sup>th</sup> 2012 meeting was made by Judy O'Connor. Seconded by Jim Morin. Vote unanimous.

Office Update:

Vouchers: Vouchers were signed by those present.

Armand welcomed Jennifer and Christina, as they stated they were students and were here to observe a local board of health meeting. He introduced them to all present and stated the board would answer any questions they may have.

Health Agent Report:

Julie Vanarsdalen gave an update of inspection of schools and establishments as well as complaints. Board members stated they have received positive feedback regarding Julie's inspections and mannerism of working with the people.

12 Draper Rd – Julie stated orders have passed, resident refuses mail, suggests proceeding to housing court. The board agreed. Derek stated reissue order and serve by constable.

Derek stated Worcester hired Ray Gauthier to inspect the high risk establishments. Big chain restaurants, Goretti's and nursing homes. There are seven establishments classified as high risk. Derek also announced Julie V. was offered a full time position with the coalition, which she has accepted.

There will be a meeting 10/4/12 at the Mass College of Pharmacy from 1- 5 P.M. Subject will be aggregate data collected within the last year. Derek addressed the students, stating they are welcome to attend the meeting, as well as the board members.

Also, the regional governing board has a sub- committee that is looking for one board member from each town to represent and address the public health needs of each community. Armand asked for the details when they are ready and he will try to attend. Jim will attend if he is available on the date to be announced.

Sharp's disposal unit – Derek will purchase disposal unit shortly, waiting to buy in bulk to save money.

EEE – Derek spoke with CMMCP, stating they are willing to spray the entire side of West Millbury starting Thursday, 10/18/12.

After discussion the board agreed to have West Millbury sprayed and would sign an emergency waiver to include the schools sprayed and the ball fields. The press release will include a map of the area and prevention tips. The threat level remains moderate.

#### Old Business:

Brierly Pond – Judy and Armand both stated there is no sign at the pond. Julie M. informed the board DPW does not have the manpower to move the pole at this time. Armand recommended they just cut the pole and take the sign. Recommendation will be passed on to DPW.

Royal House of Pizza - Armand stated Town Manager on vacation, unable to obtain update on tax arrears, and until he hears differently, they will remain in business.

251 Riverlin St. – Julie spoke with Wendy Degenhardt who apologized for not being able to attend meeting. Very busy until end of September due to participation at the Big E. She plans on attending the 10/10/12 meeting.

Cox Industries – The board reviewed and signed a cease and desist order issued to the owner of the property where the telephone poles are stored. Judy clarified the owner cannot accept any more telephone poles, however, she can request a hearing with the board.

Other Business:

Armand addressed Title V upgrade for 33 Ramshorn Rd. Mike Loin presented request for local upgrade approval due to distance of well from abutters. Jim Malley reviewed the plan and stated he was fine with upgrade. Jim Morin made a motion to accept the plan, Judy O'Connor seconded. Vote unanimous.

Armand addressed Title V request for 287 W. Main St. Mr. Leland presented the request for a tight tank to replace the existing failed septic system. Gave a detailed description of plan showing there is no alternative. Jim Malley stated the soil testing, well issues and brook issues, confirm a tight tank is warranted and should proceed with approval from MA DEP. Judy made a motion to approve the tight tank, Jim Morin seconded. Vote unanimous.

179 Wheelock Ave. area sewer odor. Jim Malley updated the board regarding complaints in the area dating back to March. After giving an overview of the issue, he stated the DPW/Sewer Dept. conducted a smoke test for the vent pipes. They found a wasps nest in a vent pipe at 181 Wheelock Ave., removed the nest, did another smoke test and the vent was clear. Hopefully, that should end the odor. Complainant was notified of the result and should she smell septic odor in the future to please contact the Board of Health office.

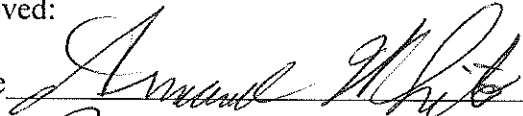

Judy stated the flu clinic will be held 10/15/12 from 8:00 A.M. to noon. The schools will be done at a later date. It is advertised in the papers and word of mouth.

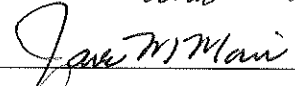

Jim asked if a servsafe class could be held in town for locals. Julie V. stated classes are held locally with some establishments having an instructor come to them. She recommends establishments combine employees for group classes. Jim also asked regarding allergin certification.

Judy stated the office needs a copy of all employees and board members servsafe certifications to have on file.

A motion to adjourn at 8:20 P.M. was made by Judy O'Connor. Seconded by Jim Morin. Vote unanimous.
