

**TOWN OF MILLBURY
BOARD OF SELECTMEN MINUTES
SELECTMEN MEETING ROOM**

April 10, 2018

2018 MAY -9 AM 10:30 7:00 pm

Selectmen Present: Chairman Francis B. King, Vice-Chairman Sandra Cristo, Mary Krumsiek, Scott Despres, Jon Adams, Town Manager David Marciello, Jennifer Nietupski, Karen Pelletier, Family and Friends of Sandy Cristo and Francis King, Susan Spencer, *T&G*, Steve Balistreri-*Millbury Sutton Chronicle*, and other concerned citizens

Chairman King announced that this is his and Sandy's last meeting; he thanked everyone for being here.

Selectman Krumsiek said a few words about Vice Chairman Cristo and presented her with a plaque from the board. They made history together by being the first board with 2 women on it.

Selectman Adams and Selectman Krumsiek said a few words about Chairman King and presented him with a plaque from the board.

Jayne Marie Davolio- Town Clerk- The Recycling Center Rules and Regs are not changing much. The Town Clerk's office will be open Saturday mornings in June to sell stickers.

65 and older- 1 free 2nd \$7.50 additional stickers \$25.00

Disabled with placard - 1 free 2nd \$7.50 additional stickers \$25.00

Households under 65 and no placard-suggesting raising the fee.

Furniture will move from \$25 to \$35 (first item still free)

Chairman King said that he met with the Town Clerk and asked where they got the price jump from? It was the DPW Director, the Manager and the Town Clerk. We are still much lower than all of the surrounding towns.

Mr. Marciello said that we collected \$78,000 for stickers, we paid \$180,000 out for recycling and hauling costs. If you look at just the hauling we are double. Most towns are \$300-\$400/year. Stickers plus bags in most towns. We are hoping to put solar at the transfer station so that we can put compactors there to lower the hauling fees. This year we need \$45,000 to finish the year. Costs are not going down.

Selectman Krumsiek asked where the Wheelabrator money goes? It goes into the general fund, most of it has been absorbed into the budget many years ago.

Selectman Cristo said that when Wheelabrator was established in the 80's in Millbury and the citizens were promised free dumping, she is opposed to any tax or fee increase.

Selectman Adams is not against raising the fee, he would prefer it on the lower side.

Mr. Marciello said that he and the Clerk crunched the numbers and \$75.00 would cover it even; \$85.00 would leave some cushion.

Jude Cristo said that he hasn't had anyone come up to him to say "hey my taxes are down"; when Wheelabrator came in there was a lot of opposition because of the environmental change. To go up on the fees now is not right.

Selectman Krumsiek said that this was a topic at the MMA meeting today because each town is in the same boat- recycling is strangling towns. There is a competitive grant available now to help. Would single stream recycling be a lower cost?

Selectman Despres said that it doesn't mean when you turn 65 you can't afford \$35.00/year; he is all for helping our seniors if they need it. Our town has Wheelabrator and we should have benefits. He doesn't think it is fair to go to \$85.00 for 2/3 of the townspeople who use the transfer station.

Selectman Krumsiek and Selectman Despres would like more information: Casella bill; construction fees; everything that we take in, how much it costs and how much we collect.

Senator Michael Moore presented Chairman King and Vice-Chairman Cristo with citations from the State Senate.

Andrew Vanni- Finance Director- presented deficient accounts and accounts that we can transfer from that will be on the Special Town Meeting warrant.

Superintendent Myers asked the selectmen to approve the Owner's Project Manager, Hill International, Inc. contract for the Shaw School building project.

Motion to approve and allow the Town Manager to sign the OPM Contract for the Shaw School project made by Selectman Krumsiek, seconded by Selectman Cristo.

Motion carried unanimously.

Town Clerk Jayne Davolio spoke regarding the Special Town Meeting Warrant * attached. It includes 2 prior year bills from the Police Department, allowing the Town Clerk's office to close on Saturday when counting legal deadlines, a transfer from the sewer enterprise fund, transfers between departments for fiscal year 2018 and the snow and ice deficit.

Motion made by Selectman Krumsiek to approve and close the Special Town Meeting Warrant, seconded by Selectman Cristo.

Motion carried unanimously.

Sign Bond Anticipation Note of \$2,300,000.00 for Ramshorn Dam

Motion to sign the bond anticipation note made by Selectman Krumsiek, seconded by Selectman Cristo.

Motion carried unanimously.

Approve Recycling Station land for solar projects-207 Riverlin Street

Mr. Marciello explained that this land needs to be approved in order to use for town solar projects.

Motion made by Selectman Krumsiek to approve Transfer Station Property, 207 Riverlin Street, for solar projects seconded by Selectman Cristo.

Motion carried unanimously.

Fernandez Auto- 519 Southwest Cutoff- Class II License Renewal

Ms. Fernandez did not show for the meeting.

Motion made by Selectman Krumsiek to table until next meeting, seconded by Selectman Cristo.
Motion carried unanimously.

Millbury Community Block Party- September 15, 2018

Motion made by Selectman Krumsiek, seconded by Selectman Cristo to approve the Community Block Party on September 15, 2018 from 1:00 pm to 6:00 pm and to close Main Street from Elm Street to Grove Street, Church Street from Main Street to the Millbury Federated Church parking lot entrance and Farnsworth Court from 12:00 pm to 7:00 pm.

Motion carried unanimously.

One Day Liquor License- - New England Carpenters Training Fund

April 22, 2018 11:00 am – 2:00 pm 13 Holman Road

Motion made by Selectman Krumsiek to approve the one-day liquor license, seconded by Selectman Cristo.

Motion carried unanimously.

Town Manager Report:

Mr. Marciello would like to table the Planning & Development update until Laurie Connors is here to do a presentation of what she has been doing.

The Board of Health did a fee audit and found that there were a lot of haulers who were not permitted through the town; this could result in tens of thousands of dollars to the town. Selectman Adams asked if it is posted at Wheelabrator that you need a permit from the Town.

The budget is now done, Mr. Marciello will be starting to concentrate on the planters and lights on the Dam. He has turned off the lights because the neighbors think they are too bright. He is trying to get either lower wattage bulbs, shields or a dimmer switch for them.

The proposed override of \$297,000 will cost the average (\$236,000 home) family resident of \$50.49/year. Mr. Marciello is working with Joyce to make a page for everything you need to know about town meeting; budgets, definitions, graphs, etc. "ClearGov" will be up and running; this shows where your tax dollars go and if we are meeting our goals.

Selectman Krumsiek said that the Governor has filed a bill that will help communities fund MSO4.

Mr. Marciello said that we received word from MEMA today that we may see some money from the snow storm that caused a lot of damage in the area.

Selectman Despres asked if there has been consultation with the school regarding the override and are they on board with this or will we have a battle on town meeting floor.

Mr. Marciello said that he has not communicated with the school board but he has their request for what they needed for the school year. The money we have is not enough to go around, this will reset the bottom each year.

Previous Minutes:

Motion to approve the minutes of the March 20, 2018 regular Selectmen Meeting made by Selectman Krumsiek, seconded by Selectman Cristo.

Motion carried unanimously.

Motion to approve the minutes of the March 27, 2018 regular Selectmen Meeting made by Selectman Krumsiek, seconded by Selectman Cristo.

Broad Meadow Brook Millbury Days April 14, 2018; Free admission

On a Good Note

Best Wishes to Franny and Sandy. We will miss you.

Citizen Speak:

Jen Nietupski would like to thank the board for responding to her open meeting law violation and it is good to see more items on your agenda.

She continued saying that \$450,000 is one-time money or up for debate at town meeting. The School Board sent 3.9% increase to the manager. We will make the necessary cuts to bring it down to the 2.1% increase.

She also wanted to thank Chairman King and Vice-Chairman Cristo for keeping the town in the best interest of the town.

Randy Mogren- Cemetery Commissioner- There is land at Central Cemetery that abuts St. Brigid's Cemetery that is landlocked by the St. Brigid's Cemetery. Mr. Marciello cautioned the board that this item is not on the agenda so they cannot vote or deliberate about the issue. He has sent on this information to Town Council and to the DPW Director, Keith Nastasia.

Kaye Pelletier- She does not believe that the process for filling a vacancy in the Council on Aging was followed. Chairman King said that we are waiting on a legal opinion from Town Council.

Joe Coggans- He commended the board on making the appointment to the Council on Aging. He spoke on the character of Joyce Ostrowski, daughter of Harold Ostrowski, who had served the Council on Aging for many years and a man of the utmost character. He doesn't believe that the Council on Aging should hand pick each member. He wanted to recognize both Fran King and Sandy Cristo on serving the town well.

Chairman King thanked everyone for being there; he never once regretted serving this town. Vice-Chairman Cristo said that it was wonderful being a selectman and serving with this board.

Chairman King asked for his final motion to adjourn.

Motion to adjourn by Selectman Krumsiek at 9:05 pm, seconded by Selectman Cristo. Motion carried unanimously.

Respectfully submitted,

Tish Hayes, Secretary

RECYCLING IS MANDATORY – STATE-WIDE in MASSACHUSETTS

All of your recyclables are able to go into any of our containers. You do not need to separate any recycling materials. Please combine all recyclables into the nearest open container.

This process is called Zero-Sort or co-mingled recycling and makes it easier for you to store recyclables (combined) at home and faster and safer to deliver them to our Transfer Station since you do not need to walk from container to container with sorted materials any longer.

Recycling; it all goes in together:

Newspapers, Magazines, Catalogs, Telephone Books, Hard/Soft Covered Books, Junk Mail, Envelopes, Paper (all colors, with staples or paperclips are okay), Cereal Boxes, Shoe Boxes, Paper Milk and Juice containers, Cardboard (please collapse and flatten all cardboard), Paper bags, Plastic containers (# 1-7), Soda, Juice, and Water Bottles (glass or plastic), Plastic Milk Jugs, Bleach/Detergent Bottles, Shampoo Bottles, Food Containers (butter, cottage cheese, yogurt, etc.), Glass Bottles or jars, Aluminum Pie Plates/Trays/Foil, Metal cans, Tin/Steel/Aluminum Cans.

HOUSEHOLD GARBAGE: Any compostable unused food or food scrapes free of non-compostable debris, may be dropped into our voluntary garbage collection bin located at the end of the sidewalk of the trash collection building. This material would be composted and help reduce our overall trash tonnage.

METALS: Heavy and light iron is to be placed in the provided container. Please remove any non-metal attached from these items. (Tubs, sinks, small appliances, bikes, etc.)

CLOTHING: The Good, The Bad, and The Ugly. This market has changed significantly since we were kids. Items can be stained, ripped, or only one shoe, sock, or glove! Clean area rugs welcome. Please no wet items! You have a choice of vendors from The Salvation Army, St. Vincent De Paul, and Planet Aid. Please place all donations in the provided containers. Please do not put the items or bags on the ground. If a container is full report it to our Attendant(s).

LEAVES AND GRASS CLIPPINGS: Please remove items/trash from the containers or bags used and place the materials in the compost area. Plastic bags may be placed in the provided containers. Large biodegradable bags also need to be dumped into the provided containers. This area closes December 1 until April 1 (weather permitting). Shrubs and branches are not accepted.

BRUSH CHIPPING: Residential brush is chipped at the DPW Garage at 137 Providence Street (Route 122A) in spring and fall. Brush Chipping dates include:

November 03, 2018
November 17, 2018

April 27, 2019
May 11, 2019

ANTI-FREEZE: Clean used Antifreeze may be delivered to the recycling center attendant in the plastic container it was purchased in.

MOTOR OIL: 5-quart limit to each drop off. Oil must be given to a station attendant. Oil mixed with other fluids will not be accepted. (Note: Used oil may also be returned to the point of sale)

PAINT: Only dried water-based paint is acceptable and must be given to a station attendant.

If you have questions about what is acceptable please ask the Attendant(s).

ITEMS that we do NOT accept:

No Plastic Bags (use the barrel provided for plastic bags)

No Compact Fluorescent Light Bulbs (CFL's) (these can be returned to Home Depot or Lowes)

No Dishes, Pyrex, or Ceramics

No Foam Packaging or Styrofoam in the Recycling Bins (These Items Should Be Thrown With Your Bagged Trash)
