Chairman King called the meeting to order.

Mr. O'Connor, a member of the town manager screening committee, wanted to let the board know that he was planning on asking for \$40,000 from the town manager general expense budget for the committee to hire a profession search firm. He explained that there is about \$80,000 for Millbury in the Governor's budget that was not accounted for in the budget. Chairman King said that he was going to step down from the search committee to allow Madam Selectman Krumsiek to serve. There was an issue regarding a charter commission member had to be on it. Mr. Spain asked Attorney Falk to clarify that finance committee members can serve on that committee.

Selectmen attended Town Meeting.
